TROOPS HOME-BOUND FOR REST

Veterans Return, Weary of War And Thoroughly Sick of Korea

Victoria soldiers returning from Korea believe they will be followed, during the next three weeks or so, by leave men in groups of battalion strength. They're glad to be home; they hate Korea and they are sick of the war, most of them admit. There were four Victoria men among the 1,157 who disembarked and paraded in Vancouver Sunday, back in Canada on 60-day rotation leave. As soon as they were free they hurried here to their eager families.

This was the largest contingent of Canadian troops to return after a year of fighting the Communists. Close to 10,000 persons packed Vancouver's downtown streets to greet them as the swung along, company by company. Ships in the harbor set up a deafening din on whistles and sirens as the troopship slid under Lion's Gate bridge. "I've got 60 days to think it over as to whether I'll stay in the army or pull out," said Signalman Charlie Frey, 21, 3263 Rutledge. He was with various front-line units. He spent a month in hospital with jaundice before boarding the ship for home. "Korea's an awful spot," Signm. Frey said as he displayed a stock of presents he brought over from Japan for his mother, Mrs. Gertrude Morris.

He said the troops were limited to bringing back \$100 of presents from Japan. "Nope," I've had enough army," said husky Pte. Trevor West, 21, of the R.C.A.S.C. Pte. West, whose parents, Mr. and Mrs. James West, live at 1818 Crescent, is going to Regina with three other boys to try out for positions on the Saskatchewan Rough Riders football team. Others are Ken Higgs, Larry Brownley and Gordon Bennett. Loveliest meal I've had for over a year," the young soldier said, as he relaxed after a turkey dinner with members of his family Sunday night. His father was with the 1st Royal Fusiliers in the First World War. Six brothers went into action in that war. All came back. Other Victorians arriving home were Pte. Don Kerr, 644 Speed, who has a wife and three children here, and Pte. William R. Evans, of the Fairfield Hotel. MET BY GOVERNOR On hand to greet the troops were Lieutenant-Governor Clarence Wallace, Major-General Chris Vokes, G.O.C. western command; Labor Minister John Cates, representing the B.C. Government and Mayor Fred Hume of Vancouver. The general took the salute as the soldiers, smartly turned out, marched over the six-block parade route. They represented just about every Canadian unit in the Korean fight: Royal 22nd Regiment, Royal Canadian Regiment and P.P.C.L.L., with supporting forces. Movement home of the original brigade in Korea will be completed early in June. More than 1,000 will arrive here in about a week.

Hannover Disturbances Claimed Over-Stressed

LONDON, May 19 (CP).—Major Alex Stinton, public relations officer for Canada's 27th Infantry Brigade, said today he believes greater emphasis has been placed on week-end disturbances involving Canadian troops in Hannover, Germany, than the actual events warranted. What appears to have happened, Stinton said, is that Canadian soldiers started fighting among themselves Saturday evening outside a combined restaurant and beer parlor on Hannover's Goethestrasse, and that the nature of the fighting tended to be exaggerated by the "vast number of people" that gathered to watch it. Four Canadian soldiers arrested by German police are being held pending further investigation. German police reports are that three Germans, all policemen, and one Canadian soldier "were slightly injured." "A full investigation is being carried out," said Stinton. "Meanwhile, it looks to us as though this was a case where a fight among soldiers became magnified owing to the vast number of people watching it." Troops of the 27th Brigade were just back from training manoeuvres, and every regiment had ordered special patrols in anticipation of possible trouble. Despite the precautions, reports on just what happened are still hazy. Officers in Hannover stress that relations between Canadians and Germans in the Hannover area have in the past been generally harmonious. German papers in the area used the words "riots" to describe week-end events. But Canadian officers believe that is too strong.

Celgar Company May Drop \$65,000,000 Plan

BRITISH END ALL CHINESE INVESTMENTS

Dispose of Holdings Worth £300,000,000

LONDON, May 19 (AP).—Britain told Communist China today remaining British businessmen in China have decided to close down or dispose of their £300,000,000 investment and quit the country.

In a note delivered in Peking, Britain also asked the Chinese Communist government to grant exit visas for an estimated 120 Britons, who would leave the country as soon as their business is wound up.

The note said the decision to give up any further attempt to continue in business in China was made by the business firms concerned.

A Foreign Office spokesman said Britain's one-sided recognition of the Peking regime will continue. Britain recognized the Communist government in January, 1950. British business has been in dominant position in China for more than two centuries.

Full diplomatic relations never have been established. Britain has a charge d'affaires in Peking. He has only limited access to Peking Foreign Office officials, however. Communist China has not made any move to open a diplomatic mission in London.

"Our contacts with China, such as they are, will be maintained," a Foreign Office spokesman said. Selwyn Lloyd, minister of state for foreign affairs, is expected to make a statement in the Commons tomorrow on the withdrawal of British businesses.

Newspaper reports said British owners will try to sell their property to Chinese government agencies, but there was little optimism.

"The Foreign Office thinks the chances of the companies getting compensation for their abandoned property are very small," said the Daily Express.

The Communists ordered the seizure of all United States properties on the Chinese mainland.

Properties in Hong Kong and Macao are exempt.

Properties in Shanghai, Tientsin, Hankow, Canton and a sprinkling of smaller cities. Belonging to firms covering almost the entire field of commerce, they include factories, shipyards, warehouses, hotels and office buildings.

8 Residents Of B.C. Die Violently

VANCOUVER, May 19 (CP).—Eight British Columbians died violently during the week-end. Two died by drowning, three were killed in a plane crash, one plunged to death from a Vancouver bridge, one was killed in a mine accident and another died in an auto crash.

Dead are: Alexander Rollick, 35, killed in a fall down a shaft of the H.B. Mine near Salmon.

George Williams, pilot, and Anthony Gagnon, and Jack Campbell, passengers of a light plane which crashed and sank at Lions Bay, 20 miles west of here.

A. W. Munns, 23, of New Westminster, killed when a car overturned on the highway two miles west of Mission.

Clarence Lister Simpson, 39, who plunged to his death from Burrard Street Bridge here.

Susan Marie Fensom, 4, drowned when she tumbled into the Elk River near Michel.

June Karrstrom, about 13, swept to death over a waterfall at Lynn Creek in North Vancouver.

BANKS MAY BE RELIEVED OF CREDIT RESTRICTIONS

OTTAWA, May 19 (CP).—All bank credit restrictions, imposed under agreement between the Bank of Canada and Canada's chartered banks, are expected to be relaxed or lifted within a matter of hours, it was learned today.

Graham Towers, Governor of the Bank of Canada, conferred by long-distance telephone with the general managers of the chartered banks this afternoon on the restrictions.

Victoria bankers welcomed the news of easier credit. Bank managers here generally felt that the central bank's relaxation of credit would provide a measure of welcome relief to individuals who borrowed for personal purposes and to companies who have been seeking long-term loans for expansion programs.

Premier Midway In Hectic Tour

Hard-Driving Johnson Caps Rugged 1,200-Mile Week by Driving Over Big Bend Route

By FRED McNEIL
Special to the Times

GOLDEN, May 19.—Hard driving campaigner "Boss" Johnson capped a rugged 1,200-mile week Sunday by driving from Invermere over the Big Bend Highway to Revelstoke.

With Mrs. Johnson he undertook the tough drive even though the road is not yet officially open for traffic this year and without a pause for rest.

At the week-end the premier had reached the half-way point in a six-week, 10,000-mile campaign that will take him into every riding.

The premier drove Saturday from Fernie to Canal Flats, source of the mighty Columbia in B.C.'s fabulously beautiful Windermere.

It was hot and the premier peeled off his coat for a ham-and-egg lunch in his shirt sleeves. Later he put on his coat to attend a tea with Mrs. Johnson.

At an evening meeting at Invermere, the premier hammered again on the fact that a voluntary hospital scheme (proposed by the Conservatives and Social Credit) just won't work.

"Conditions would be chaotic if hospital insurance were placed on a voluntary basis," the premier said. "Sure it can be done, but make no mistake about it, it wouldn't be hospital insurance as it is today."

The premier said that once again hospitals would not be able to collect all their bills and local governments would once again be burdened with hospital costs.

Blunt spoken, Vaughan Kimpton, Liberal candidate for Columbia, said Social Creditors were making untrue comparisons of tax structures in B.C. and Alberta.

LOT OF HOOEY "The set-up is so different it can't be compared," said Mr. Kimpton, ex-Alberta reeve who still owns property there. "When these wise men come from the east and say taxes are lower there, they are talking a lot of hooley."

"We should tell them to go home and mind their own business," Mr. Kimpton stressed that in Alberta municipalities paid a much greater share of costs for roads and other services, than they do in B.C.

The municipalities are now so hard pressed, he said, "that they don't know which way to turn."

It was easy for the Alberta provincial government to show good financial figures, Kimpton said, because it didn't help municipalities.

The provincial debt had gone down, yes, but municipal debt had soared by \$60,000,000 and municipal and county taxes in Alberta were several times higher than in B.C.

On the platform at Invermere was Tom King, who held the Columbia seat for two decades, but who at 73 decided he wanted a rest.

In the audience was prominent local Indian Dominic Nicholas who remarked: "Most of the Indians around here are good Liberals. They don't know these other guys (Social Credit) and they won't get many Indian votes."

The project will be named the Royal Portage Turf and Country Club and will be capitalized at \$10,000,000, he said.

Provisional Victoria directors are D. B. Carley, well-known Victoria horseman, Leonard G. Hatcher, civil defense co-ordinator, W. C. Curtis, secretary of the Victoria Auto Courts Association and R. A. Bayne, of Bayne Realty.

Two other directors will come from Seattle and one from Portland.

Pulp Men Impatient With License Delay

If Celgar Development Limited is not granted the whole of a forest management license area it wants in the Arrow Lakes region of B.C. it will cancel its application and B.C. may lose a \$65,000,000 investment.

This blunt warning was given today by Celgar official Norman Hosie at a hearing before Lands and Forest Minister E. T. Kenney on the company's application for a management license covering nearly 1,000,000 acres.

A dispute has arisen because Kootenay Forest Products Limited does not want Celgar's license to take in the Trout Lake area, which composes about 6 per cent of Celgar's overall application. K.F.P., however, favors Celgar getting the remainder of the area.

Mr. Hosie said: "It is necessary to reduce the proposed license area we must ask that the license application be canceled."

He said this action would be taken regardless of investments of between \$3,000,000 and \$4,000,000 already committed. Total investment of \$65,000,000 was contemplated for an integrated forest industry, including a sulphate mill, newsprint mill and sawmills.

ONE-MAN HEARING The hearing started April 21. It was decided at that time the hearing would be held before the whole cabinet today. But events this morning resulted in the hearing going back to Mr. Kenney.

Last month Senator J. W. de B. Farris said at the original hearing he would agree to a hearing before the cabinet, without first a hearing before the minister.

The Farris father-and-son team represent the Kootenay Forest Products Ltd.

Mr. Farris said the date is not suitable and he could not have the necessary witnesses present today.

The cabinet withdrew and returned with the ruling that the hearing must go on before the minister.

The cabinet had no jurisdiction in the matter because Senator Farris had withdrawn his consent to waive the hearing before the minister, Attorney-General Gordon Wismer said.

The hearing is continuing.

The hearing is continuing.

HATCHER HEADS TRACK GROUP

Leonard G. Hatcher was elected provisional chairman of the Royal Portage Turf and Country Club at the first meeting of the four Victoria directors this morning.

A permanent chairman will be elected as soon as the three American directors arrive here, possibly this week.

Following the meeting today, Mr. Hatcher said: "The city is poor. The mayor and aldermen have shown great courage in facing the fact. A lot of people here don't want to face it. But it is a fact the city and the people in the city haven't got the money to do all that should be done."

"We think something's got to be done. And we think the money can be obtained from the city's main industry—the tourist trade."

It was Gagnon who told police that he and two other men were the ones who planned the Brink's robbery. One of the men Gagnon named was Carleton O'Brien of West Warwick, Rhode Island, shot to death on Saturday.

Also present were two assistants to the attorney-general and District Attorney William Foley of Suffolk County. Foley's presence indicated the possibility that some attempt may be made to bring Alfred Gagnon of Pawtucket, Rhode Island, to Boston, to face grand jury action.

VICTORIA DIRECTORS NAMED

Sport Centre Project Ready to Incorporate

The proposed multi-million dollar Portage Inlet recreation centre has received financial backing in the United States and corporation papers will be filed at the Legislative Buildings this week, a spokesman for the interested parties said today.

The project will be named the Royal Portage Turf and Country Club and will be capitalized at \$10,000,000, he said.

Provisional Victoria directors are D. B. Carley, well-known Victoria horseman, Leonard G. Hatcher, civil defense co-ordinator, W. C. Curtis, secretary of the Victoria Auto Courts Association and R. A. Bayne, of Bayne Realty.

Two other directors will come from Seattle and one from Portland.

Incorporation papers are being prepared in Vancouver now.

The spokesman said there probably will be a public offering of bonds.

"We want the public to interest itself in the project so we will likely give them a chance to buy bonds," he stated.

The three American directors will be in Victoria later this week or early next week.

"The project is financially assured, but there are hurdles ahead in connection with zoning and other matters," the spokesman said.

The project will include three race tracks—one for horse racing, one for trotting and one for car racing.

"We haven't started negotiations yet for the racing franchise," the spokesman said.

"However, I must stress that we can go ahead without racing."

The huge project, which would cover 200 acres in the vicinity of Helmcken Road and Portage Inlet, will include exhibition buildings, an ice arena, botanical gardens, a zoo and numerous other recreational facilities. Part of Portage Inlet would be filled in.

The project also would entail the installation of sewers on the north and south slopes of View Royal, construction of the much talked about Gorge Canal and construction of a new section of Island Highway to eliminate the Four-Mile Hill section.

Plans are being drawn by the architectural firm of Sharp and Thompson, Berwick, Pratt and Charles E. Craig, which has a branch office in Victoria at 502 Fort Street.

When y' speak o' Canadians fightin' overseas, y'd rather it wasn't in a pub in Hannover.

Farmers here claim th' sheep industry is goin' t' th' dogs—sheep by sheep.

Hear tell some o' th' Social Crediters wanted t' copy Geoff Edgewood's idea o' coverin' their constituencies on horseback. But bein' still without a leader they feared folks would call 'em the headless horsemen.

ON THE TIMES

By ART STOTT

Bruce Boreham, who held down the C.N.R.'s public relations job in Vancouver for years, was and is a newspaperman's public relations man. Bruce was known by everyone in the business here, from editors down to office boys. And Bruce called each of them by his first name.

Stott

Years ago, Bruce went east in the course of C.N.R. promotion. Out on the coast we regretted his departure, were glad to see him move ahead and offered our sympathies to him because his advancement took him from the Pacific to the Winnipeg office.

Then Bruce confided to some of us that he was glad to be going back. He liked Winnipeg. He spoke of the associations of his youth back there and the curling. Out here we still like Bruce. We still think he's a grand guy and we're still convinced that he's sound. But—

There must be other people like Boreham who would willingly exchange a home in Victoria or Vancouver for one in Winnipeg. There must be people like that, but Bruce is the only one I've met.

The scores of other Winnipeggers who have migrated to Victoria don't seem to want to go back. They like it here. They recognize an allegiance to Winnipeg. Let anyone try to run the town down and they're in there punching like Sugar Ray Robinson.

The very fury of their defense suggests they have to fight hard because the place is so vulnerable.

You can't help getting that impression if you read "Prairie Protest Raps Our Spring," reprinted from the Winnipeg Tribune on Page 4 of this edition. It's written by V.V.M., who is Victor V. (for Vinegar) Murray, whose writing ability crackles through his column.

Unexpectedly Dissected

V.V.M. does a beautiful job of taking "On the Times" apart. It's a neat, surgical operation—and a little disconcerting because "On the Times" didn't even know it was on the way to the operating table.

In one of his recent Monday-Wednesday-Friday efforts, the guy who writes "On the Times" built up a half gallery of type on the base of a visiting Calgarian's appreciation of Victoria. He didn't realize he was making the Calgarian "talk like a high school girl writing an essay on 'My Trip to Victoria,'" as V.V.M. says he did. That wasn't the intention. The Calgarian has hair on his chest.

And he didn't know the column would be forwarded to V.V.M. as an antidote for V.V.M.'s printed opinions of a visit to Victoria. He wasn't even aware that there were grounds for comparison between Victoria and Winnipeg. He still isn't.

The guy who writes "On the Times" has only spent a week or 10 days in Winnipeg—half in the summer, half in November.

In the heat of the summer he escaped to a Winnipeg district swim pool, where the diving equipment was about as bad as it is in most other Canadian outdoor pools, and where the water was shallow enough to guarantee lumps on the head of anyone who made a decent dive. In the winter he kept borrowing heavy clothes from friends and peeped at the city between an Astrakhan cap and the upturned collar of a con coat.

During the summer days he spent there he didn't smell the lilac. It had withered and the prevailing aroma of Winnipeg was something not quite antiseptic or perfumed. In November the cold kept his nose running so much he couldn't smell anything.

One thing he liked about Winnipeg—the people. They had hearts as warm as their November was cold.

Defense Mechanism

Now as far as the guy who writes "On the Times" is concerned, it's okay if V.V.M. attempts the small and transparent fiction that what Victoria has in scenery and amenities Winnipeg has, too, only more and better.

That's good psychology for a Winnipegger. Life is tolerable only if the individual makes his own adjustments to his environment. There isn't much sense in a Winnipegger pining for a home in Victoria if he can't get out here. He's much better off if he takes Winnipeg in his stride, works hard, makes a pile of dough and then joins Victoria's Winnipeg colony when he can afford to.

Viewed in that light, V.V.M.'s point of view is quite logical. So is his final complaint. "The trouble with us Manitobans," says V.V.M., "is that we don't appreciate what we've got." Neither does a man with boils.

Vancouver's Death Anniversary Marked

PETERSHAM, Surrey, Eng., May 19 (Reuters)—Britons and British Commonwealth Sunday paid homage to Capt. George Vancouver, the British sailor who discovered Burrard Inlet, site of the city of Vancouver.

A memorial service was held in the churchyard of St. Peter's Church, here, where Capt. Vancouver is buried, on the 154th anniversary of his death.

Among those attending were H. R. MacMillan, prominent Vancouver businessman; W. A. McAdam, agent-general for British Columbia in London, and Rev.

Harold Whitehead, vicar of St. Joseph's Parish in Vancouver for 27 years.

Whitehead said: "This week is a token of respect and honor due to one whose presence makes the British Commonwealth—the Pacific shores of Canada."

Mr. Whitehead compared Capt. Vancouver's Burrard Inlet with the present city that bears his name.

He was truly the founder of a great heritage," he said. "It would be a wonderful blessing if he could see the noble city that has arisen in place of the dense virgin forests he discovered so many years ago."

He will speak on the subject "Ink Problems in Printing."

In addition to the address, members will elect officers for the coming year.

Ford Factory Faces Shutdown

WINDSOR, Ont., May 19 (CP).—The Ford Motor Company of Canada today faces its third major work stoppage within six months.

Ford office workers went on strike late Sunday to back demands pending since last Aug. 1. Local 240, United Auto Workers (C.I.O.-C.C.L.), which represents 900 members in the bargaining unit, established picket lines around the company's offices.

Although production workers reported today as usual, company officials said the five Ford Windsor plants can operate "for only a week" without the office workers. Day-to-day co-ordination of production made the keeping of office records "absolutely necessary" for plant operations.

COULD IDLE 12,000

If the office workers' strike resulted in a shut-down of the plants some 12,000 persons would be made idle, including 10,000 production workers and 1,100 superintendents and foremen.

In a statement Sunday night, Rhys M. Sale, president of the company, said the strike was called in an effort to make the company grant a set of conditions that would set a pattern for organization of office workers in other large firms.

He said negotiators had reached agreement on 100 of 112 points at issue before the strike was called.

One in three persons in this highly-industrialized city is dependent on an income received from the 55-acre auto plant.

George Burt, U.A.W. Canadian director, made the strike announcement at a meeting attended by 500 members of the bargaining unit. A May 6 membership meeting gave the U.A.W. executive the power to call a legal strike to support their demands.

Main point at issue, said Mr. Burt, is a union demand for establishment of automatic wage progression within job classification.

At present, increments to office workers' salaries come only with promotion from one classification to another.

OTHER DEMANDS

He listed other union demands as: Establishment in the Ford office of the Rand formula by which workers would be required to pay dues to the U.A.W. through the checkoff system but would not be required to join the union; a \$43.90 salary increase on a monthly basic wage of \$191.56; time and-a-half for overtime; eight, instead of six, paid statutory holidays a year and revision of existing seniority arrangements.

The company has offered a \$33 salary increase and has made "some concessions" on other demands, Mr. Burt said. But the best company offer was far short of union requirements.

LONGEST RIVER

The Mackenzie River is the longest in Canada, flowing 2,500 miles compared to 1,900 for the St. Lawrence.

Robeson's appearance was sponsored by the International Union of Mine, Mill and Smelter Workers (I.M.S.W.) of Vancouver.

He was denied entry into Canada by U.S. immigration last January where he had been scheduled to address a convention of the union here.

Robeson spoke briefly to the crowd along themes of peace and the brotherhood of man. But most of the time he sang.

His selections included "Old Man River" and "Curly-headed Baby"—but in some cases he changed the lyrics to emphasize the "brotherhood" theme.

He appeared before the crowd for the better part of two hours. At the conclusion of the performance he returned to Seattle.

NATIONAL BLOOD DONOR Committee chairman Vernon C. Hale of Hamilton, Ont., will meet executives of Victoria Branch Canadian Red Cross Society, here Tuesday night. He was president of the Hamilton branch in 1945 and 1949 when that city's blood transfusion service was started, and is a former member of the Ontario division executive committee.

Allied Negotiator Charges Reds' Denial On Prisoner Issue 'Lie'

MUNSAN, Korea, May 19 (AP).—The top United Nations' truce negotiator today described as an "out-and-out" lie a Communist denial that the Reds had agreed to Allied screening of captured Communists.

Vice-Admiral C. Turner Joy, senior U.N. delegate, told the Reds: "Had the results been to your liking you would have enthusiastically welcomed the product of the screening."

North Korean Gen. Nam Il replied: "It is inconceivable and nobody would believe that our side which is firmly opposed to the retention of our captured personnel by your side under whatever name, could have agreed directly or indirectly to your so-called screening."

A recent Allied quizzing of Red prisoners of war, the Allies said, showed that nearly 100,000 North Koreans and Chinese prisoners prefer death to returning to Communism.

The issue of exchanging prisoners blocks an armistice. In Tokyo, Gen. Mark Clark, U.N. supreme commander, announced that Maj.-Gen. William K. Harrison Jr. will succeed Joy as senior U.N. delegate Friday. Joy will become superintendent of the United States naval academy.

The 37 minutes of bitter debate today produced no progress. The truce delegation will meet again tomorrow.

Joy did not use the word "lie" inside the conference tent. He told reporters that Nam Il denied that the Communists ever agreed to the screening.

"That is an out-and-out lie," he said.

HERE, THERE AND EVERYWHERE

Condensed from CP, AP, and UP Dispatches

LIVESTOCK—Ten more cases of livestock foot-and-mouth disease were confirmed in England and one in Scotland over the weekend.

This brought the total of outbreaks since the national epidemic began last November to 368.

The general ban on cattle movements in England and Wales was lifted May 16, but restrictions in many affected areas remain.

SAVED—In Chicago a man who has been in jail seven months awaiting trial on a murder charge was told Sunday that another man has confessed.

"I've prayed every night," said Grant Smith, 25-year-old negro, "and my prayers have been answered."

"I knew the Lord would not let an innocent man suffer," he said. "Even when those two men identified me, I knew the police would try to help."

Detective William Frederickson and James Dronney, who doubted Smith's guilt in the robbery slaying of Mrs. Helen Benson last Oct. 13, brought good news for Smith.

It was a statement by Theodius Hester, 25, admitting the crime and naming two others as participants—Arthur Murphy, 27, and Percy King, 24. King and Murphy deny Hester's statement.

The assistant state's attorney, John Long, said he would leave for California today to investigate the case.

FLUTTER—In Bonn, Germany, Chancellor Konrad Adenauer today cracked back at his Socialist opposition which announced it would fight to the bitter end to wreck his negotiations for a peace contract with the western Allies.

Bonn was in a flutter, with the government hoping to wrap up the deal this week. But the Socialists Sunday night demanded that Adenauer start negotiations over again on a basis of "genuine equality" with the West.

Adenauer's reply, in a statement to his Christian Democratic parliamentary delegation, was that if Parliament rejects the contract there will be no chance for new negotiations. He said the Allies had told him so.

WRECK—In Sawyer, Mich., railroad wrecking crews moved into this small southwestern Michigan community today to clear 59 cars of a Chesapeake and Ohio freight train derailed Sunday night in a collision with a pick-up truck.

The freight cars were scattered over a half-mile section of the railroad right-of-way. Cars were piled six high in the downtown area of the community of 150 persons located south of Benton Harbor, Mich.

State police reported no persons were killed in the derailment. Three teen-agers, passengers in the truck, were injured critically.

They were: Shirley Pratt, 15, and Steve Brightwell, 16, both of New York; and John Thomas Sonnenberg, 16, of Sawyer.

KIDNEYGERMS May Keep You On The Run

Are you embarrassed and bothered by too frequent kidney action during the day and night? This symptom as well as burning, itching passages, bladder irritations, backache, strong cloudy urine, pressure over the bladder, pains in hips, groin and lower abdomen, may be due to temporary germ irritation in simple kidney and bladder troubles. In such cases the very first dose of CRYSTEX usually goes to work, right now helping you these three ways: 1. Helps nature remove certain irritating non-specific germs in acid conditions. 2. Thus helps relieve a frequent cause of many aches and pains. 3. By relieving and calming irritated bladder tissues, it helps reduce frequent or smarting passages day and night. Get CRYSTEX from your drugstore today for quick help, under satisfaction or money back agreement.

FILIPINOS HURL CHINESE REDS FROM HILLTOP

Troops Protected By Armored Vests

SEOUL, Korea, May 19 (AP)—Filipino raiders in grenade-bayonet charges twice drove Chinese Communist defenders off an embattled hill on the Korea central front today.

It was the same hill, west of Chonwon where men of the 20th Battalion combat team said they killed or wounded every one of 40 Chinese at its top Sunday.

The tough Filipinos hit the Reds again this morning. The Chinese fled. The Filipinos withdrew under Red mortar fire.

Later in the day a second Filipino patrol caught the Chinese napping. The patrol hurled grenades and charged with fixed bayonets. The Chinese fled.

Ten Reds were killed in the two assaults. The Filipinos were wearing regular issue U.S. armored vests. None was killed.

U.N. raiders Sunday fought into heavily-fortified Communist bunkers on the western front. They then directed U.N. artillery fire onto fleeing Reds. Allied troops used the sturdy Red underground shelters as protection from the rain of high explosives.

All Allied raiding parties returned to U.N. lines, a United States Eighth Army staff officer said.

He reported patrol skirmishes all along the front Sunday were "heavier and longer than usual."

Veterans of C.E.F. Holding Reunion

The 48th Battalion, C.E.F. Association, will hold its annual reunion banquet June 28 in the Canadian Legion Hall.

Jack Dirom is president of the association; Bert Redfern, vice-president; Thomas Silverides, secretary; R. L. Grice, sergeant-at-arms; Sydney Armstrong and Donald Corbett, members of the executive.

Mrs. Hodges Honored by U.B.C.

When Mrs. Nancy Hodges, former Speaker of the Legislature and M.L.A. for Victoria, received honorary degree of Doctor of Laws at University of B.C. congregation May 16, president Norman A. M. MacKenzie draped hood of office over her shoulders. Roderick L. Haig-Brown, Campbell River author, also received honorary degree at ceremony.

POP OF BOYS WANTS GIRL

LONDON, May 19 (AP)—A man among too many men appealed for help in the personal column of the London Times today.

"Father of three sons desires a daughter," the advertisement read. "Can anyone send suggestions?"

Free Booklet Tells How Deaf Hear Again With Startling Clarity, Ease

CHICAGO (Special)—New hope for the 15 million persons in the United States who are hard of hearing was voiced by a noted Chicago acoustical scientist. He reported that through the miracle of modern electronics it is now possible to overcome deafness even if the loss is severe.

He demonstrated how the deaf can hear again with a clarity and ease they never dreamed possible. According to this electronic engineer, Mr. Sam Posen of Belmont, "the longer a hearing loss is neglected, the harder it is to recapture certain speech sounds and understand them."

To acquaint the hard of hearing readers of this paper with what may be done to help the deaf hear again with miraculous clarity, full authoritative details about deafness and how to overcome it are described in an informative, new, illustrated booklet, which will be sent in a plain wrapper without any cost or obligation.

To obtain your free copy, simply send your request to: Electronic Research Director, Dept. 550A, Belmont Hearing Aid Co., 1450 W. 19th St., Chicago 6, Ill. A postcard will do.

STABILITY * HUMANITY * PROGRESS

Chinese to Advise U.N. On Care Of Koje Prisoners, Probe Starts

KOJE ISLAND, Korea, May 19 (AP)—A former Chinese Nationalist general has joined the staff of Brig-Gen. Haydon L. Boatner, commander of United Nations prisoner of war camp No. 1, as an adviser on Chinese prisoner affairs.

Boatner said the Chinese is an old friend from their Second World War years in Burma. The Chinese adviser is a civilian employee of the United States Army. He requested that his name not be published to prevent possible reprisals by Chinese Communists against members of his family still in Communist China.

The Chinese indicated he merely hopes to advise Boatner on what he thought would be the wisest, most humane and effective way of dealing with Chinese prisoners. Boatner himself is a Chinese expert.

Approximately 5,000 Chinese prisoners are held on Koje and have indicated a desire to return to their homeland in case of a Korean truce.

Some 15,000 other Chinese prisoners have said they do not wish to return to Red China. The busy new commander also met briefly with representatives of local villages.

Camp officials long have suspected that civilians sympathetic with the Communists have been acting as communications channels between prisoner compounds as well as between the P.O.W.'s and the Red rulers of North Korea.

TOKYO, May 19 (AP)—The inquiry into the capture and release of Brig-Gen. Francis T. Dodd by Communist war prisoners on Koje Island, Korea, today shifted to Tokyo.

Gen. Mark Clark, United Nations' supreme commander, named a board to study findings of a United States Eighth Army

Board in Korea on the kidnapping. It also will review recommendations by Gen. James A. Van Fleet, Eighth Army commander.

"M-m-m... That's the way coffee ought to taste...rich and fresh!"

Just imagine...extra-rich Edwards costs no more than well-known quality coffees sold in paper bags!

Open a pound of Edwards and it may look pretty much like any coffee. But then taste it...and be strict in your judgment. Rich coffee? There's none richer. Fresh? Marvelously fragrant. Because Edwards is roasted and packed only to order...in small, rich batches. It's rushed direct to your Safeway and placed fresh and fragrant on the shelves. You get it with the full natural richness and aroma—and you get it for no more than other coffees sold in paper bags! Give Edwards a thorough trial. You'll never taste anything finer in coffee!

WEATHER SYNOPSIS

VICTORIA'S SUNSHINE RECORD TO DATE, 1952—637.5 HOURS

SYNOPSIS: Cloud was spreading over all of B.C. this morning as a low pressure area developed off the west coast of Vancouver Island. Rain is falling on the more exposed portions of the coast and will move eastward during the day. Not much precipitation is expected today but showery weather will continue Tuesday as the low pressure area moves eastward.

Temperatures will show a marked drop in the interior from the high values registered the past few days as this system moves eastward. Coastal temperatures will remain in the low sixties both today and Tuesday.

REGIONAL FORECASTS VALID UNTIL MIDNIGHT TUESDAY

VICTORIA: Cloudy Tuesday with a few showers. Little change in temperature. Winds light. Low tonight and high Tuesday, 48 and 60.

WEST COAST: Intermittent rain today and Tuesday. Cooler. Winds light becoming southeast 20 during the afternoon. Low tonight and high Tuesday at Esquimalt, 48 and 58.

VANCOUVER AND GEORGIA STRAIT: Cloudy Tuesday with showers. Little change in temperature. Low tonight and high Tuesday at Vancouver airport and Nanaimo, 48 and 62. Abbotsford, 48 and 65.

Mercy Flight Of 130 Miles Of No Avail

PORT ARTHUR, Ont., May 19 (CP)—A dramatic 130-mile night mercy-flight ended in failure here early Sunday.

Orval Morphet, about 35, of Emo, Ont., died in hospital here from injuries suffered late Saturday. His clothing caught in a spinning shaft driving a sawdust carrier at an Emo lumber mill.

Morphet was whirled around the shaft several times. He suffered paralyzing back injuries, two breaks in his right arm, and had one or more vertebrae broken.

Pilot Doug Craig flew Morphet in a light Stinson aircraft from Emo, 200 miles west of here, to Upsala, Ont., about 70 miles west.

From Upsala, Morphet was brought here by ambulance.

Craig flew his plane through moonless skies with only a compass for instruments.

He took off at sundown from the Rainy River at Emo with his critically injured passenger and a nurse, Miss A. Webb.

He was to land two hours later at Shebandowan, 40 miles west of here, where the ambulance was waiting.

But Craig landed at Upsala, 45 miles from Shebandowan, presumably after going off course in the pitch-black night.

The ambulance was re-routed along the Trans-Canada Highway to Upsala.

The aircraft is owned by the Rusty Myers Flying Service of Fort Frances, Ont.

Blaze Destroys Ontario Hostel

HUNTSVILLE, Ont., May 19 (CP)—The Royal Muskoka Hotel was destroyed by fire Sunday.

The blaze broke out in the central portion of the 70-room building, 30 miles west of here in the heart of the Muskoka Lakes district, and spread rapidly to both wings.

No one was injured as the building was not yet open for the summer season. No estimate of the damage has been made. But it may run to \$500,000.

The hotel was located about 115 miles north of Toronto.

Tough Major Weeps On Return---

VANCOUVER, May 18 (CP)—Maj. Real (Buck) Libolth, D.S.O., wouldn't strike you as a man who would cry.

He said he did today, though, when the ship bringing 1,157 Canadian fighting men home from Korea rounded Brockton Point and downtown Vancouver burst into view.

"Over there, there's nothing but brown hills and small shacks. And then we came around that point and there were all the tall buildings and the green mountains. Tears came to my eyes. We don't realize what a wonderful country we have."

The husky major from Ponteix, Sask., is one of three Canadians to win the Distinguished Service Order in Korea. He was decorated for his part in the heroic stand of the Royal 22nd Regiment.

The tall, robust Sargent won his decoration for covering the retreat of 29 buddies when they were trapped in a valley near Chorwon.

"I didn't stop to count how many I got, but they never touched me. Slashed some mud in my face, that's all."

Once off the ship, the men were served coffee and sandwiches by the Sally Ann and smoked despite the "no smoking" signs in the pier shed. A major rushed about telling the men to "douse their fags. They lit new ones after he had passed. The major finally gave up when he saw a general and brigadier puffing away.

L.-Cpl. Gord Dawe of Verdun, Que., said fighting along the static line is "monotonous but they keep throwing shells into us now and then and raising hell."

Consensus was that few of the men plan to remain in the army. "I'm just a displaced civilian," said Capt. Antonio Giroux of Montreal.

Loyalists' Progeny To Honor Forebears

Descendants of the gallant band of British colonists who moved north into Canada from America following the revolution of 1776 will gather in Victoria next Wednesday to pay tribute to their forefathers.

The Victoria branch of the United Empire Loyalists' Association has arranged a banquet for the occasion at Loughheed's Banquet Club at 6:15.

On Sunday, May 25, branch members will again gather to attend a church parade at St. Andrew's Presbyterian Church.

Communists Close Border Link Into West Germany

FRANKFURT, Germany, May 19 (AP)—A sudden Communist order today closed one of five border-crossing points for German passenger trains linking the Soviet Zone with West Germany.

Without explanation, the East German government shut off passenger traffic on the feeder line between Gutenfuerst in Soviet-occupied Thuringia and Hof, frontier communications centre in the American-zone state of Bavaria.

West German railway officials said passenger traffic on this line was not explicitly covered by Soviet-Allied agreements. But it had been carried on by a "gentlemen's understanding" since the Berlin blockade was lifted May 12, 1949.

Today's Red order left the

Gutenfuerst-Hof line open for freight movements.

West German officials said traffic was normal on the remaining six inter-zonal rail crossings, four of which can be used by passenger trains.

But the Communist action jolted blockade-jittery Berlin and sent chills through West Germany, where fear of Soviet aggression has increased sharply as the Bonn government neared a peace contract with the west.

The mysterious order crippled Bavaria's contact with East Germany, although the main rail crossing for Munich-Berlin passengers is unaffected.

The Russians banned Allied patrols on the Berlin-West Germany auto-bahn May 8, claimed later that these were illegally armed, then gradually permitted them to resume their daily trips on the 110-mile super-highway.

In Berlin itself, the Communists have completed re-routing East German trains so that they avoid passing through the Allied sectors. New canals have been put into operation to keep East German barge traffic out of Allied-held districts in the city.

Berliners are convinced such measures have been taken to enable a new blockade to be clamped down without hampering Soviet zone communications, as happened in 1948-9.

ISLAND DIGEST

PORT ALBERT, May 19.—Mayor Loran K. Jordon of Port Albert and Mayor Ben Wright, Albert, will be on hand May 24 to meet a special train that will leave Victoria early in the morning and pick up passengers for the giant B.F.O.E. celebration and kiddies' day.

LANGFORD, May 19.—Three members of Langford Volunteer Fire Department, Fire Marshal Rodney Bayles, Haldor Beebe and Dick Sewell, have flown to Woodstock, Ont., to accept delivery of a new fire truck for the department.

DUNCAN, May 19.—Loggers in Deerholme, Shawngigan Lake, and Copper Canyon have reported seeing a hairless deer, Covichan Fish and Game Association has been told.

C. Plester, of MacMillan & Bloedel Ltd., said it was "bare as a mouse," and a Copper Canyon trainman said it appeared to have a ridge of hair along its back.

NANAIMO, May 19.—Directors of Harewood, Chase River, Departure Bay and Northfield water districts will meet Tuesday to discuss formation of a Greater Nanaimo Water Board. F. C. Stewart, consulting engineer, will give requirements and costs of installation in each district.

NANAIMO, May 19.—There have been 15 entries to date for the soap box derby May 24 on Commercial Street. A ramp 18 feet long and eight feet high will be used to give the tiny racers a good start, and the finish line will be at Terminal Avenue.

SAANICHTON, May 19.—Delegates named by Saanich Chamber of Commerce to attend the convention of Vancouver Island chambers in Port Alberni June 24 and 25 were George Moody, Percy Thorp, Sqd. Ldr.

Popular English Organist Coming

An organ recital by one of England's most popular concert artists will be given Tuesday evening at Grace Lutheran Church, 2301 Blanshard.

The artist will be Lewis Gerard, recently arrived in Canada from Norway, after concert tours in the United Kingdom, Denmark and other European countries. The concert is scheduled for 8 p.m. Appearing with Mr. Gerard will be Peggy Walton Packard, dramatic soprano, and Eunice Stoutley, cellist.

CLUBBED GAME FOR FOOD

3 Men Survive 13 Days in Bush

SEPT ILES, Que., May 19 (CP)—Three men who spent 13 days in the wilds of northeastern Quebec, after their plane was forced down on a lonely lake, were rescued over the week-end.

Pilot John Newton didn't waste a minute in this gulf-port town after he was rescued. He whipped off to Montreal where his wife, who is expecting a baby shortly, was waiting for him.

"I was never so glad to see anyone in my life," Newton whooped when he met his wife.

Newton and two companions, Cal Brown, 44, of Ottawa and Ludwig Elemen, 30, an expert bushman, landed on Magpie Lake, 75 miles northeast of here, when bad weather forced them off their course and they ran low on fuel. Newton and Brown stuck it out in an abandoned trapper's cabin. Elemen, after a few days, struck out afoot for civilization. The two in the shack were spotted by an R.C.A.F. search and rescue aircraft from Greenwood, N.S., and Elemen was found by another plane. He was taken out by helicopter Sunday and his two companions by a ski-equipped aircraft Saturday.

The plane was on a return flight from Bloom Lake, 184 miles from here.

"Until we were rescued we had clubbed three porcupine, a narwhale and a beaver, and they made awfully good eating."

He said they kept signal fires burning night and day, but none of the many planes searching for them ever spotted them.

"Unfortunately we had no guns

ACTOR'S ENTHUSIASM BRINGS BROKEN RIB IN STAGE BRAWL

No one will be able to say members of the Victoria Gilbert and Sullivan Operatic Society don't put realism into their acting.

At Saturday afternoon's performance of "Red Mill," one of the cast was injured.

The accident came in a scene in which two Dutch burgers are required to engage Franz, the sheriff, and after a brief struggle, subdue him and take him off stage.

At the matinee, the struggle was so real that John Cox, one of the burgers, suffered a fractured left rib when hit by a flying elbow.

Following true tradition, Mr. Cox had his rib taped during the supper-time break and went on stage again at night.

Lyle Russel First Snipe Race Winner

First race of the Royal Victoria Yacht Club snipe class Saturday series at Cabbro Bay was won by Lyle Russel in Snipe No. 3448.

Eleven boats competed with Joyce Roberts in No. 4790 finishing second and Sub-Lt. Young in Pal, third. Others in order of finish were:

Nigel Scott Moncrief, in Red-skin; Lieut. (S) Robert Leckie, in Stormy Petrel; Cmdr. P. H. Sinclair, in Nova; Sub-Lieut. J. Miller, in Thomas; Cmdr. C. O. Polley, in No. 8325; Nursing Sister Betty Dawson, in Cee Bee; Cd. Eng. Alec Satchwell in Roughrider, and C.P.O. H. Balcome, in Scarlet Runner.

Sunday morning A and C class auxiliary sloops raced around Brochle Ledge.

Rain Needed

WINNIPEG, May 19 (BUP)—The Manitoba pool elevators have expressed concern about the lack of surface moisture and the heavy growth of wild oats in the province.

A crop report issued on Saturday says good rains are needed. The report noted that the wild oat growth has delayed seeding in some parts of the province until the farmers have had a chance to destroy the weed.

Some early sown fields became heavily infested and have been cultivated and reseeded.

Koje Incident Shows U.S. Never Has Ratified Prisoner Treatment

By ELTON C. FAY

WASHINGTON, May 19 (AP)—The Kojima prison camp incident has turned attention to the fact the United States never has completed ratification of a new international pact on treatment of war prisoners, although the U.S. government abides by it.

The reason appears to be oversight or plain inaction by the senate, the body which ratifies treaties.

Neither the Communist governments of China nor of North Korea have signed the pact, although they cite it frequently.

In the arguments arising out of the capture by Communist war prisoners of the U.S. army brigadier general commanding the camp and the subsequent agreements made by his successor, the "Geneva convention" has been cited by officials as their guidebook for handling prisoners.

Actually, what they mean is one of a long series of conventions, some of the first of which date back to the early part of this century and which cover a wide range of subjects on war.

Taken together, they constitute an international rulebook for the conduct of war.

Because many of the conventions were written under conditions prevailing before the First World War or soon after that conflict, they did not meet often drastically changed conditions of the Second World War.

To bring up to date the agreements on treatment of wounded and prisoners, the powers signed a convention at Geneva in 1929, which the United States ratified in 1932.

In 1949, a revised treaty was produced, to cover changes brought about in the Second World War. Although there were no drastic changes from the form of the 1929 treaty, it was a new document, requiring new ratification. President Truman sent it to the senate for ratification. But, defense spokesmen say, it is still there, awaiting senate ratification.

However, at the outbreak of

the Korean war, the U.S. government announced that it would adhere to the 1949 convention.

In general, the prisoner of war convention spells out the responsibilities and rights of prisoners.

A point which appears especially involved in the Kojima case deals with the right of prisoners to inform captor military authorities of complaints.

Collective punishment for individual acts is forbidden, a provision that obviously raises problems in coping with riots such as occurred several weeks ago at the big Kojima compound.

(April 10 an official of the external affairs department at Ottawa confirmed that Canada has drawn to the attention of the U.S. that its prisoner of war policy in the Korean-truce talks is not in accord with the Geneva convention.)

(The official, however, denied a U.S. report that Canada is joining Britain and France in "pressuring" the U.S. to agree to return of all war prisoners whether they want to go home or not.)

(The Geneva convention pro-

vides that prisoners of war are to be returned to their homelands.)

Postmen Holiday On Victoria Day

Postmaster John Sinclair announced today there will be no letter carrier service on May 24. Wicket service will be available from 9 to 11 in the morning and the lobby will be open until 6. Special delivery service and receipt and dispatch of mails will be handled as usual.

FREE—FREE—FREE
Sawdust for agricultural use. Keep weeds down and moisture in. Save time and labor. For a limited time only for a small delivery charge.

HE DIDN'T UNDERESTIMATE RAIN

DALLAS, Tex., May 19 (AP)—Talmadge Lloyd thought he had underestimated heavy week-end rains when he opened the door of his advertising office Sunday.

The furniture floated out to meet him.

Then he discovered someone had slipped a garden hose through a mail chute and turned it on.

SHELL PREMIUM GASOLINE

Today's more powerful engines require a highly complex gasoline to deliver their full power. There can be as many as 1500 different chemical compounds in a gallon of gasoline.

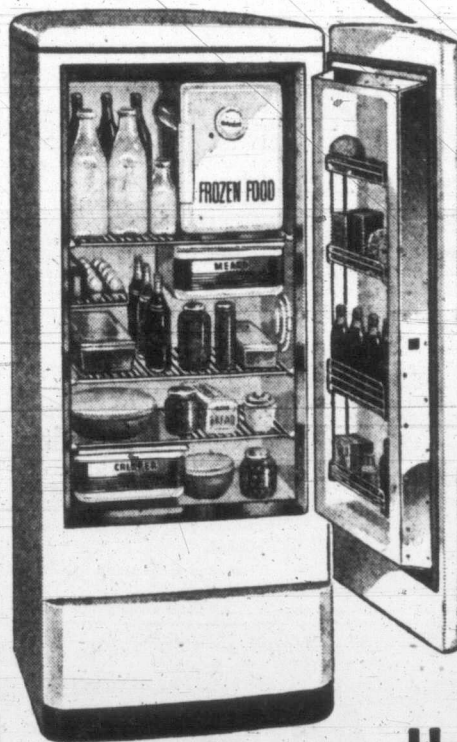

To select the best of these chemicals, and to arrange them properly to fulfill the needs of your car calls for the last word in refinery

equipment and scientific skill. It is Shell's manufacturing policy to make "The most powerful gasoline your car can use." Shell activates gasoline by splitting and rearranging petroleum molecules.

The result—Shell Premium—the most powerful gasoline your car can use. See the Shell Dealer in your neighborhood.

Semis Gained In Club Golf

Three of the city's four major golf clubs will play off their semifinals of the men's club championships this week-end.

GIVAN FIRES 64 AT OAK BAY

Harry Givan of Seattle Golf Club shot a blazing five-under-par 64 at Victoria Golf Club Saturday in the 50th anniversary interclub match between Seattle and Victoria Club with 31-33.

Vic Painter was the last golfer to shade par by five strokes at Oak Bay, getting his 64 in the city tournament three years ago.

The course record of 61 is held by club professional Phil Taylor.

O'Hara Nets Six Goals in Minor Boxla

Brian O'Hare was the stickiest performer in Saturday's minor boxla program at Stevenson Park.

O'Hare scored six goals in a losing cause, as Saanich Prowess defeated Fairfield, 3-5. Gerry Waters had four goals for the winners, Tom Collett (2), Ed Blin (2) and Rod Skillings (1).

Rod Rothery netted four goals in Esquimalt's 9-8 decision over Fernwood. Other scorers were Stu Walker (2), Gary Moss (2), Barry Loughlean (1), For Fernwood Adam Simpson (4), Allan Rayton (3), Barry Saunders (1).

Jack Showers (6) and Barry Johnson (4) scored all the goals in Oak Bay bantams' 10-4 victory over Saanich. Ron Marcel, Norm Gallant, Bob Craigdale and Wayne Bedysh counted for Saanich. In Fernwood's 16-4 bantam triumph over Fairfield, Ed Kowalyk (5) and Ken Watson (4) led the attack.

This week's schedule follows:
Tuesday—3:15 p.m. Peewee Esquimalt vs. Fairfield; 4:15 p.m. Saanich vs. Fernwood; 6:00 p.m. Juvenile B. Merchants vs. Yarrow.
Wednesday—3:15 p.m. Bantam, Oak Bay vs. Fernwood; 4:15 p.m. Bantam, Fairfield vs. Saanich.
Thursday—6:00 p.m. Juvenile B. Esquimalt vs. Fernwood; 7:00 p.m. Juvenile B. Saanich vs. Oak Bay.
Friday—4:30 p.m. Senior B. Jokers vs. Peewee Bay.
Saturday—8:30 a.m. Peewee, Fernwood vs. Fairfield; 9:30 a.m. Peewee, Saanich vs. Esquimalt; 10:30 a.m. Bantam, Fernwood vs. Saanich; 11:30 a.m. Bantam, Oak Bay vs. Fairfield.

Esquimalt Edges Eagles' Nine

Larry Palmgren pitched Esquimalt to a tight 6-5 win over Eagles in a 16-and-under baseball thriller at Macdonald Park Sunday. In the other 16-and-under game of the day, Oak Bay clobbered Oaklands, 18-5.

Action in the 14-and-under division saw City Centre One beat City Centre Three 10-8; Saanich downed James Bay, 10-1; and City Centre Four edged City Centre Two, 13-10.

Poor Crowd Sees B.C. Booters Edge 'Frisco

SAN FRANCISCO, May 19 (BUP).—Left inside Dave Brown scored four goals to give the British Columbia All-Stars a 6-4 victory over the San Francisco All-Stars Sunday at San Francisco.

Brown scored two goals and centre half Doug Reid got another in a fast-scoring 15 minutes in the first half of the game as B.C. went into a 3-0 lead before San Francisco even got underway.

In the second half, Brown again made two goals and outside left Ivan Carr scored the final point for B.C. as San Francisco added four points on goals

Semi-finalists at Colwood, Gorge Vale and Uplands were decided Sunday but quarter-final play at Victoria Golf Club was suspended due to the 50th anniversary international match between Victoria and Seattle.

The match ended in a tie. In the Uplands semifinal it will be Bob Woods against Bob Morrison and Gordon Verley against Frank Scroggs.

In their quarter-final rounds, Woods beat Gil Briscoe, 6 and 5; Morrison beat Gordon Pellow, 4 and 3; Verley beat Don King, 8 and 7; and Scroggs beat Joe Barlow, 3 and 2. All the matches going according to expectations.

Top semifinal match at Gorge Vale sees Bob Fleming going against Eric Barber. The other half of the bracket matches Hugh Morrison against Dave Fanthorpe. Sunday's results saw Fleming beat Joe Briggs, 3 and 2; Barber beat Jack Clark, 4 and 2; Morrison beat Dick Carroll, 2 and 1; and Fanthorpe beat Ken Hincks, 2 and 1.

YET TO PLAY
Three of the semifinals at Colwood were decided over the week-end and the fourth will be decided this week when Ted Colgate and T. A. Harris play their quarter-final.

The three semifinalists decided Sunday were Jim Robertson, Bill McColl and Pat Frith. Robertson beat L. McCooey 3 and 2; Robertson beat Porky Andrews 2 and 1; and Frith beat T. G. Harris 5 and 4.

Colwood flight results follow:
FIRST FLIGHT
R. D. Gray and W. Vazley, yet to play; Dunnett beat A. W. McIntyre, 2 and 1; W. Curran beat Y. Painter, 3 and 2; G. Davies beat H. A. Linham, by default.

SECOND FLIGHT
R. J. Davies beat N. D. Demco, 19th hole; L. Nelson beat E. Thomas, 2 and 1; E. Hunter beat D. Baker, 4 and 3; J. Simpson beat A. T. Reynolds, 3 and 2.

THIRD FLIGHT
N. L. Morgan beat D. C. Barton, 1 up; W. W. Hocking beat J. Daisiel, 2 and 1; D. W. A. Macdonald beat J. R. Pettit, by default; A. Hendry beat A. E. Baylis, 2 and 1.

FOURTH FLIGHT
G. Cartwright beat J. A. W. Nicol, 3 and 2; G. Greenwood beat M. P. Gray, 20th hole; A. Wright beat R. H. Crane, 3 and 2; L. C. Chapman beat H. A. Hincks, 2 and 1.

FIFTH FLIGHT
G. H. Matthews beat A. E. Acres, 3 and 1; E. Aubel beat G. E. Goodwin, 3 and 1; Brooks beat Dr. H. C. Gill, 2 and 1; G. Andrews beat W. G. G. Gordon, 2 and 1.

SIXTH FLIGHT
Dr. J. F. Tyse beat J. A. Christie, 4 and 5; E. Ozer beat H. J. Evans, 3 and 1; J. Brown and A. E. Williamson, yet to play; G. Andrews beat W. G. G. Gordon, 2 and 1.

SEVENTH FLIGHT
J. M. Brooks beat C. H. Lanigan, 2 and 1; H. J. Damaske, by; J. T. Gawthrop beat E. Hutchinson, 3 and 1.

COLWOOD PAIR KEEP BUTTONS

George "Porky" Andrews and mate Laurie Kerr successfully defended their senior city golf buttons Sunday at Victoria Golf Club.

Andrews and Kerr beat down the challenge of Colwood professional Bill Court and island match play open champion Ted Colgate to chalk up a 5 and 4 victory. All four are from Colwood Golf Club.

by outside half Hommo Zylier and inside right Mike Nicholas—each with two tallies.
It was the third straight game San Francisco had lost to British Columbia squads. San Francisco played two games in Vancouver and Victoria last week-end.

Only 2,000 fans turned out for the game at San Francisco's Kezar Stadium.

JOHN MILLMAN NAMED TO OLYMPIC CYCLING TEAM

TORONTO, May 19 (CP).—John Millman of Vancouver and Fred Henry of Toronto have been selected to represent Canada in Olympic Games cycling events at Helsinki, Finland, this summer, it was announced Sunday.

The decision to include cyclists on the team was made at a meeting of the Canadian Olympic Association here Saturday. Henry and Millman will compete in the 1,000-metre time trials and the 1,000-metre sprint, although it has not been decided which will enter which. A country may have only one entry to a race.

Millman, University of British Columbia student, represented Canada at the 1950 British Empire Games at Auckland, N.Z. He won the Olympic trial 1,000-metre time event at Victoriaville, Que., this month.

He now is training at Brantford, Ont.

Henry, 22, member of the Queen City Cycle Club, holds the Canadian and Quebec time-trial championships.

INTERIM FEATHERWEIGHT CHAMP

Frank Almond Named For Elimination Meet

WASHINGTON, May 19 (AP).—The National Boxing Association Saturday announced plans for a tournament to produce an "interim" world featherweight champion until titleholder Sandy Saddler is released from the army.

The plan calls for Saddler to meet the interim champion when Saddler is released from the army. "Saddler" was recently accepted for army service and his title was put into the deep freeze by the N.B.A. and the New York State Athletic Commission.

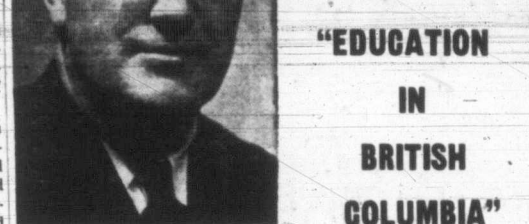

The association's elimination tournament will be co-ordinated with the British Boxing Board of Control. The association suggested that Ray Farnham of France and Roy Ankara of the African Gold Coast meet for the European title. The winner would then meet the "champion of the Americas" as determined by the elimination bouts.

The commission said these ranking featherweights are eligible to participate in the tournament:
Gene Smith, Washington, D.C.; Percy Bassett, Pennsylvania; Fabila Chavez, California; Glen Flanagan, Minnesota; Tommy Collins, Massachusetts; and Frank Almond, of Vancouver, featherweight champion of Canada.

Ellis Returned As Rugby Prexy

In their recent annual general meeting, the Victoria Rugby Union elected officers for the 1952-53 season.

Dick Ellis was returned to the president's chair. Paddy Lamnigan was elected secretary and Phil Salmon was re-appointed treasurer.

West Germany Gains Davis Cup Third Round

LONDON, May 19 (AP).—Gottfried Von Cramm, veteran international tennis player, won the all-important singles match Sunday to send West Germany into the third round of the European zone Davis Cup competition along with Sweden, Italy, France, Denmark, Belgium and Argentina.

Playing at Dueseldorf, Germany, Van Cramm polished off Eugenio Saller of Brazil 6-2, 6-2, 6-4 for the deciding point. Brazil's Armando Vieira defeated Ernst Buchholz 10-8, 5-7, 6-3, 6-4 in the fifth match to make the final standing 3-2.

The Germans' next opponent will be Denmark, which won its fourth straight match from Monaco as Kurt Nielsen defeated Aleco Noches 6-2, 6-3, 6-4. Rain delayed the final singles until today.

Meantime at Belgrade, England took a 2-1 lead over Yugoslavia with the final two singles matches scheduled for today.

Skinner Hurls Langford Victory

Reg Skinner was the boss Sunday as he pitched Langford to a 15-4 victory over Elk Lake in a 15-and-under District Softball League senior C men's fixture at Langford Sunday.

Skinner allowed only four hits and sent 14 of the lakemans down on strikeouts.

NEW YORK, May 19 (AP).—Frank Chapman's pair of goals paced unbeaten Manchester United to the touring club's fourth straight victory today with a 5-1 decision over select team of the American League.

John Gregory tear with Tony Mottram for a 6-4, 1-6, 9-11, 6-2, 6-2 decision over Stefan Laslo and veteran Jospi Palada. Mottram beat Vladimir Petrovic in Saturday singles and Palada beat Geoffrey Pals who hurt his head in a fall.

Either England or Yugoslavia will meet Italy next. Italy completed a clean sweep of its second-round matches with Egypt at Rome. In singles, Italian champion Fausto Gardini beat Marcel Coen 6-0, 6-1, 6-1. Rolando Del Bello edged Egypt's air force colonel, Adlei Shafel, 7-5, 7-5, 2-6, 7-5.

Belgium won both of its singles matches from Hungary to

make the final standing 4-1. Philippe Washer assured a Belgium victory with a 6-4, 6-2, 6-0 victory over Adam Stolpa. Jacky Brichant completed the route with a 3-6, 7-5, 6-4, 6-0 decision over Joseph Asboth.

Sweden, Belgium's next opponent and defending European zone champion, completed its sweep over Chile.

Argentina moved into the third round against France by

winning the doubles against Switzerland for a 3-0 lead. Enrique Morea and Alejo Russell whipped the brother combination of Paul and Jean-Pierre Blondel 6-3, 6-2, 6-4.

Bernard Destremau gave France the deciding point in its series with The Netherlands, defeating Hans Val Swol, 5-7, 7-5, 6-1, 6-5. Robert Hallett made the final score 4-1 by whipping Hub Wilton 6-2, 3-6, 6-2, 6-3.

Plane Tries Harbor Landing With Wheels Down; 3 Occupants Killed

HALIFAX, May 19 (CP).—Three men were killed Sunday when a Maritime Central Airways amphibious plane partly submerged while attempting a landing in a Labrador harbor with its wheels down.

On a charter flight carrying general cargo for a Saint John, N.B., construction firm, the Canso

nosed over in Cartwright Harbor shortly after hitting the surface. It appeared that either the mechanism used to hoist the wheels had failed or that the crew members had overlooked them.

All three aboard were crew members.

They were identified as: G. J. Edwards, Lakeburn, N.B., pilot; John Dutchak, Charlottetown, co-

Canadian Explorer

BRAHMS AT HIS BEST

Requiem in Memory Of King Performed

By AUDREY ST. D. JOHNSON

As their final performance of the season, the Victoria Choral Society presented, on Sunday, Johannes Brahms' German Requiem.

The performance, conducted by Graham Steed, was in the nature of a choral service in memory of the late King George VI. There was a large attendance in Christ Church Cathedral, to hear this "nobles expression of sorrow and consolation."

This is the great Brahms of the E Minor Symphony and the Piano Quintette; the man of deep sensibilities; of soaring spirit, of gentle resignation. It is music, not yet a hundred years old, that has the mellowness of antiquity and the richness, the untrammelled invention of modernity.

The chorus had a good grasp of the emotional and spiritual values of the work and brought a fine

intensity to such passages as "Now death is swallowed up in victory." The climaxes were fully realized and stirringly effective.

The altos had one or two rather lovely entries which were skilfully sung. The opening invocation, "Blessed are they that mourn" and the chorale "How Lovely Are Thy Dwellings Fair," were smoothly molded, the texture of tone, firm and clear.

The soprano soloist, Margaret Dunn, a member of the chorus, has a lovely clear voice of a quality peculiarly suited to this type of work. The baritone soloist was Philip Watts of Vancouver.

Hazel Sherratt, another chorus member, sang the special Elgar arrangement of "God Save the Queen," to conclude the Choral Society's third major performance of this season.

The Requiem was preceded by a masterly rendering of Bach's organ Fantasy and Fugue in C minor, by Charles Palmer, who also carried the organ part of the Brahms work.

The Victoria Choral Society can count as one of its finest assets, its permanent accompanist, Edgar Holloway, who has played an important part in building this choral group to its present status.

Oil Soon to Meet Domestic Needs

WINNIPEG, May 19 (CP).—Canada's oil production by the middle of 1954 will exceed 400,000 barrels a day—the equivalent of the nation's entire needs—Carl Nickle, Calgary oil expert, said Sunday.

He spoke at a civic luncheon, final event of the three-day Canadian managing editors' conference here.

Mr. Nickle outlined the rapid development of the oil industry

since the discovery of the Leduc field in February, 1947.

Production in 1947 was 19,000 barrels a day. This summer it would reach 190,000. If transportation, market and refineries were available this total could exceed 280,000.

Reserves had risen from less than 1,000,000 barrels to more than 1,700,000,000.

In five years, more than \$1,000,000,000 had been invested in the west's oil development. This

PRAIRIE ROUND-UP

Manitoba Livestock Ban Will Continue

WINNIPEG, May 19 (BUP).—Federal agriculture officials have conferred with members of the Manitoba government on the province's embargo on livestock movements, but were told the ban will not be lifted yet.

Agriculture Minister F. C. Bell said the ban will continue in force until Manitoba is reasonably certain that normal movement of livestock is not likely to spread foot-and-mouth disease.

The Manitoba ban was imposed after the first outbreak of the disease in Saskatchewan as a protective measure to prevent spread of the infection.

Robert McCubbin, the parliamentary assistant to Agriculture Minister J. G. Gardiner, and Dr. A. M. Shaw, the head of the agriculture marketing board, stopped off in Winnipeg Saturday on their way back to Ottawa.

Brig. Rockingham Arrives In Ottawa

OTTAWA, May 19 (CP).—before taking up his new post here as director general of military training.

"My wife and I have an island out there and now she thinks we might build a house on it," he said. "And I think it is a good idea. So I guess I'll be a building expert for the next 30 days."

Teachers Needed

WINNIPEG, May 19 (BUP).—Teacher training courses will be conducted at Brandon College in a move to provide greater numbers of qualified teachers in Manitoba.

The announcement has been made jointly by the University of Manitoba, Provincial Education Minister W. C. Miller and Brandon College.

The courses at Brandon are expected also to improve teacher standards. Students attending may qualify for the general degree of Bachelor of Pedagogy and for an associateship in education. This is a new academic title that was authorized by the university senate in February.

United Church Cash Campaign Makes Progress

Forty per cent of the objective has been reached in the current campaign to raise \$200,000 for improving and redecorating First United Church.

The campaign committee, headed by Logan Mayhew, has collected \$80,291 to date and still has two weeks to go. Those in charge say pledges from the congregation and friends of the church are most encouraging.

Funds raised by the drive will be used to provide better Sunday school facilities, to redecorate the church and to purchase new lighting fixtures.

William Kemmler, who was executed in New York on August 6, 1890, was the first person to be electrocuted in that state.

Under Control

EDMONTON, May 19 (CP).—Alberta forestry officials Sunday night reported that four forest fires in northern Alberta have been put under control.

No new blazes have been reported.

J. L. Janssen, chief timber inspector, said "possibly a half-dozen still are burning in the northern parts of the province."

No progress reports have been received on the fire burning out of control south of Sturgeon Lake in northern Alberta. Another probably still out of control is burning north of Whitefish Lake about 200 miles north of Edmonton.

88th Battalion Vets Hold Reunion Friday

Annual reunion of the 88th Battalion, C.E.F., will be held Friday at 7 p.m. in Loughheed's Banquet Hall, 1406 Douglas. Tickets can be secured from N. Maynard, 814 Fort, or Jones Bros., Yates and Quadra.

Loose False Teeth? Gums Sore From Slipping Plates?

Hold Plates Tight With This Amazing New Cream

What torture to have plates rubbing against gums, leaving them raw and sore! No more! This new cream, Poli-Grip, gives you tight-fitting comfort as never before—does all this, too:

1. Poli-Grip forms a creamy cushion, eliminating friction on sore gums.
2. Holds even shallow lower plates.
3. Seals edges, so food can't get under.
4. Lets you eat anything.
5. Keeps plates tight while laughing, singing, even sneezing.
6. Poli-Grip is made and guaranteed by the makers of Polident.

Natural Death

EDMONTON, May 19 (CP).—Dr. M. M. Cantor, Alberta's chief coroner, reported Sunday night that Mike Kozlowski, 60-year-old Morinville district farmer who had been missing since Jan. 8, died of a heart attack.

The coroner said there will be no inquest into the death of the farmer whose body was found Friday near a seldom-travelled sideroad in the Pedra area 35 miles northeast of Edmonton.

An autopsy showed Kozlowski died of a heart attack and there was no indication of foul play, Dr. Cantor reported.

Still at Large

WINNIPEG, May 19 (BUP).—The R.C.M.P. in Winnipeg report no success yet in their search for three men who fired on two constables early Saturday morning at Swan Lake, Man.

The shooting occurred as the constables went to investigate a parked car. Two revolver bullets smashed into the police automobile, puncturing two tires and the gas tank and hitting the radio set. Neither of the policemen was hit.

A province-wide search was instituted Saturday and police patrols were maintained on all highways during the week-end.

Predicts Benefits

SASKATOON, May 19 (CP).—Walter Tucker, Saskatchewan's "General Victory" in the 1947 provincial general election would win more working class votes for the people than the C.C.F. government has accomplished in the last eight years.

Mr. Tucker, in the only Saskatchewan address he is scheduled to give in the campaign, said the C.C.F. government is going backwards while the rest of Canada forges ahead.

If a Liberal government is elected, Saskatchewan would witness an onrush of risk capital and make up for all the years lost

New Toni

WITH PRICELESS PINK LOTION

Holds the set longer than any other permanent!

Which Twin's Toni was set a week ago—and which was set today?

Yes, both twins have Toni's. Julia Lacy, on the left, had hers set just before this picture was taken—Cynthia, on the right, had her Toni set one whole week before and never re-set it! You can't tell the difference. Here's proof that Priceless Pink Lotion gives a wave that stays lovely without re-setting!

You'll forget all other ideas about permanents the first time you use New Toni with Priceless Pink Lotion. For the new Toni process is faster, gives a wave with the vibrant spring and silky softness of a natural wave. Yes, and it holds the set longer than any other permanent you've ever had!

Never a lotion so wonderful! You've never used anything like Toni's new Priceless Pink Lotion! It curls more completely—yet is kinder to your hair! And that means a lovelier, livelier wave for you. Less re-setting. New freedom from the nightly chore of pin curls.

Never a neutralizer so fast! You save 20 minutes with the new Permafix method of neutralizing. And because

Permafix neutralizes more thoroughly, it "locks in" your Toni wave so it can't come out. New Toni means all day—every day beauty for you month after month.

Never a guarantee so complete! If you don't say your new Toni looks lovelier and holds the set longer than any other permanent you've ever had, the Toni Company will cheerfully refund your money. So try New Toni—and you be the judge.

Ask for the New Toni at any cosmetic counter.

Film Board Does More for Less

OTTAWA, May 17—Canada's National Film Board was both more productive and more economical with the taxpayers' money last year than it was during the previous year.

This was buried in a welter of testimony given the Special Commons Committee on the National Film Board, by W. A. Irwin, government film commissioner.

The "more for your money" aspect was particularly true of film production which Mr. Irwin described to the Commons committee as "the heart of the board's operations."

Mr. Irwin detailed this way: During the 1950-51 fiscal year,

a period of rising costs, went up only 11.7 per cent.

Average cost per film produced in 1950-51 was \$6,185. But the average cost dropped during the next year when more films were made at \$6,093 per film—a saving of \$92 per film.

Besides film production, the N.F.B.'s other activities were, for the most part, also increased. Mr. Irwin told the Commons committee. Only three N.F.B. sections showed a decrease from one year to the other.

In 1950-51, the board completed 45 filmstrips. But during the last fiscal year, this was increased to 100 filmstrips completed—a jump of 122.2 per cent.

The board increased its services

to commercial newsreel companies by 109 per cent from one year to the next. In 1950-51, 123 newsreel stories were placed with newsreel companies as compared with 257 stories sold the following year.

During 1950-51, the board secured 217,389 non-theatrical showings of its films in Canada and abroad. The following fiscal year, it showed an increase in total showings in Canada and abroad of 12.1 per cent. This will eventually be even higher as figures for foreign showings were for nine months only.

It increased its Canadian non-theatrical audience 13.3 per cent from one year to the next, pushing the number up from 10,110,789 in 1950-51 to 11,463,437 in 1951-52.

Based on figures obtainable for the first nine months of the 1951-52 fiscal year only, it increased its foreign non-theatrical audience 15.9 per cent from the 1950-51 figures of 9,663,795 in 45 different countries.

In 1950-51, the board secured 51,29 Canadian theatrical bookings. The following fiscal year, this figure for Canadian theatrical bookings was up 65.4 per cent to 8,483.

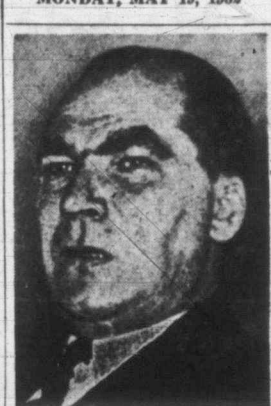

From one fiscal year to the next, the board increased its television bookings abroad by 57.1 per cent, from 1,523 in 1950-51 to 2,401 in 1951-52. Most television bookings were in the United States.

In the three sections of the board's operations where decreases were shown, the drops were slight.

During 1951-52, the board processed 10,736,578 feet of film, a 4.8 per cent decrease from the previous year; produced 112,211 black and white still photo prints, a decrease of 1.9 per cent from a year earlier; and secured in the first nine months of 1951-52, 1.6 per cent fewer foreign theatrical bookings than it did a year earlier when it secured 10,512 of them.

Mr. Irwin summed up by stating that both at home and abroad, the board's films have achieved wide recognition. This was evidenced by the fact that 51 N.F.B. productions have won national and international film awards during the past three years.

12 Victoria Daily Times MONDAY, MAY 19, 1953

AMONG THE 50 envoys who recently presented their credentials to new Queen of England at Buckingham Palace in London was the Russian ambassador to U.K., Georgi Zaroubin, seen above. Although the envoys were accredited to Britain during the reign of the late King George VI, they had to present new letters of credence to new sovereign.

—S.N.S. Photo.

Massey Tells Legion Canada Grew in War

MONTREAL, May 19 (CP)—The Governor General told hundreds of Canadian war veterans Sunday night their homeland is a far different place than it was in 1939 and that figures tell only half the tale. Canada's national self-reliance, he said, is far deeper than when the world last went to war.

Rt. Hon. Vincent Massey sent the biannual national convention of the Canadian Legion on its way with a buoyant picture of an awakening, growing Canada and with the proposition that the most important thing of all is that Canada's sense of responsibility has grown with her surge of strength.

The Legion's new Grand Patron was the central figure in the traditional convention-opening ceremonies. Delegates from coast to coast watched him receive a life membership.

Business sessions of the four-day meeting began today.

Long a Canadian envoy in London, Mr. Massey said his mingling with the veterans "evokes vivid memories of the war years" and that his visit to Canadian military units in those days were always a source of "very real refreshment."

"It is not very easy to describe the qualities that we call Canadian," he said. "It is easier to sense than to define them but the great company that carried the name of our country on their shoulders were Canadian in the full sense—they could belong to no other country."

SHOUTS OF RELIEF

14 Sightseers Trapped 4 Hours In Parliament Hill Peace Tower

OTTAWA, May 19 (CP)—Fourteen persons trapped in a Peace Tower elevator about 100 feet above street level Sunday night shouted with relief at their rescue from the overcrowded cage.

Their next move was to run down the winding, stone staircase of the Parliament Buildings to the bathroom.

Eight men, four women and a seven-year-old boy were seeing the sights from the 330-foot-high tower. Their elevator hung suspended from 3.40 p.m. E.D.T. to 7.35 p.m. before the rescue.

Repair men jerked the cage a few feet at a time to a higher level to let the party out about halfway up the grey stone tower. The elevator was built to hold nine persons, including operator Charles Michaud.

The trapped sightseers were: Mr. and Mrs. Paul Albert and son, Guy, of nearby Hull, Que.; Mr. and Mrs. Charles Sharpe, Montreal.

Mr. and Mrs. Walter Wroblewski, Hannover, Germany; Maurice Periard, Hull; Rejane Courchaine, Hull; Erwin Carl, Mannheim, Germany.

Mr. R. Wood, Tampa, Fla.; John Alexander, North Bellmore, New York; D. J. Briston, Westcliff-on-Sea, Essex, England.

For most it was their first trip up the Peace Tower, a tourist mess during the summer months. And most agreed they wouldn't chance it again.

Officials of the company that installed the elevator said the cage was overloaded and was coming down too quickly. The safety brakes jammed, freezing the cage to the rails in the stone shaft.

Workmen Ross Whitley and Bill Sorelle had to force it up a few feet at a time, changing the cables after each move. They said there was no danger of the elevator falling at any time.

The tourists remained cheerful during most of their four-hour ordeal. Little Guy Albert,

sporting a black eye from a moving the cage slowly upward, neighborhood fight, cried from he shouted encouraging words and kept the marooned party time to time.

But once workmen started laughing.

BETWEEN TIMES

By MONTE ROBERTS

Any of you gals want to know how to get the most out of a powder puff? A woman writer says:

"Use them to dust flour on cake pans, rolling pins, breadboards, for polishing shoes, and as a pin cushion."

Don't forget to take out the pins before you powder your nose.

There doesn't seem to be much need for the average man to do any thinking on the question of the liquor plebiscite. Various interested parties are anxious to do our thinking for us.

Some of the leading questions asked by supporters of a "no" vote, as well as supporters of a "yes" vote, are of the have-you-stopped-beating-your-wife type.

I don't believe the average voter will be much influenced by any of the various committees, but there is a dangerous tendency for which you should be on the alert.

That is the comparison of B.C. with Ontario in the matter of liquor consumption, incidence of drunkenness, money spent, and taxes collected.

It is a dangerous comparison because no actual comparison can be made—unless weighted by type "X" actors of relative size, wealth, average age, city and rural population, and many others.

It would take a highly skilled mathematician to properly adjust any comparison between the two provinces. Even then, the value of such weighted figures would be doubtful—for no person has yet evolved a way to "weigh" the factor of plain human individuality.

The only suggestion I'd like to make regarding the plebiscite is that you examine all figures, advanced by either side, with suspicion—then ignore them, and let your own common sense be your guide.

An example of what I mean: In Saturday's paper appeared this phrase, referring to Ontario: "... which now has cocktail bars and shows a liquor profit to the government more than twice that of B.C."

The inference, intended or not, is that cocktail bars are responsible for the size of the profit.

Which is nonsense, as any person who can read a bureau of statistics report knows.

One of the younger candidates in the current election received a nice morsel of advice from his aged father.

"So you're going to run for M.L.A.," he asked. "Well, if you get elected, you go right ahead and carve a niche for yourself—but for goodness sake don't try to chase it."

Which reminds me of the U.S. politician who started out to give his constituents a fair shake—until he found a shake-down much more profitable.

A weekly editor up Alaska way has a realistic approach to an obituary.

He wrote a very touching eulogy on the death of a man who was a personal friend of his, and headed the editorial, simply:

"Good Luck, Bill."

'Hollybank' Memories

Fine Rithet Paintings To Grace B.C. Archives

Many fine paintings which once graced the walls of "Hollybank," one of Victoria's gracious old homes, have been bequeathed

to the provincial archives by the late Mrs. R. P. Rithet, Willard Ireland, provincial archivist, said today.

Included are two water colors of Victoria scenes by Mme. G. M. de l'Aubiniere, and an oil by her husband, C. A. de l'Aubiniere.

This talented couple who visited Victoria in 1895 and 1897 were the first to paint in the French school of painting of that time, Mr. Ireland said.

Fourteen of their representative paintings were commissioned by the legislative assembly and accompanied the illuminated address to Queen Victoria on the occasion of her golden jubilee in 1887, he said.

There are also two water colors by Frederick Arthur Verner, one of the first—if not the very first—of native Canadian painters to visit the west.

Mr. Ireland said the paintings bequeathed by Mrs. Rithet also include a Canadian Rockies scene water color by T. Mower Martin, founder of the Royal Canadian Academy in 1850.

The late Mrs. Rithet was herself an accomplished painter and several examples of her work have been included in the collection.

"The provincial archives is particularly fortunate to receive such a fine addition to its gallery of British Columbia paintings," said Mr. Ireland.

Representatives of British Columbia's 10,000 civil servants today were discussing wages and hours of work with the provincial cabinet.

The discussions were continuing at press time.

Civil servants have rejected the government's offer of a 3 per cent wage increase, a five-day 37-hour work week for office workers, and a five-day 44-hour week for outside workers.

The workers want a 6 per cent wage increase and a five-day maximum 40-hour week throughout the service.

Rockingham Plans Retreat on Island

Brig. and Mrs. John M. Rockingham own an island in Howe Sound—Paseley Island—where they hope to build a summer home shortly.

This was revealed by the former Canadian brigade commander in Korea in Ottawa today.

He is conferring with Defense Minister Brook Claxton and the cabinet's defense council, preparatory to taking over his job as director-general of military training.

Police Chief Rescuer

Yacht Party Helps Unidentified Pair

Two men were rescued Sunday from the choppy waters of Esquimalt Harbor by Police Chief John Blackstock and a party of friends.

Identity of the pair is unknown.

Chief Blackstock said today the two were clinging to the side of their sailing skiff which had capsized in the harbor.

The chief, city building inspector Bill Oosterink, service station operator Al Bentley and four others were out in a boat owned by Oosterink when they spotted the men clinging to the skiff.

They pulled the pair on board and took them to the dock. Oosterink and his party were outward bound from the jetty when they made the rescue.

Many Yachts Chased Back Into Harbor

A combination of high winds, flood tide, and a wicked stretch of water at Trial Island, chased most of the Royal Victoria Yacht Club entries in the race around Brodie Ledge Sunday back to port with shattered rigging.

Commodore H. A. Wallace's Buccaneer III was first across the finish line in Class A, but H. Max Young in Alcion was declared winner on corrected time.

Lalanga II, sailed by R. V. James, was forced to turn back. Only two of six entries in Class C finished the rugged course. Command Chaplain G. L. Gillard, R.C.N., was the winner in White Swan, followed by Lieut. Cmdr. J. C. Marshall in Red Start. The remainder were damaged and had to drop the race.

Meanwhile, Victoria-owned Adios, a 17-foot speedboat, sunk in collision with express cruiser Tomboy, was raised from Cadboro Bay bottom Sunday.

Rare Choral Treat, Stead Conducting, Wins Slim Returns

Members of the Victoria Choral Society who gave one of the "best performances" of Brahms' "Requiem" ever held in Victoria at Christ Church Cathedral Sunday afternoon are disappointed on the returns from the concert, it was learned today.

A choir official, who declined to be named, said a little over \$200 was collected. The returns were described by critics as "one of the best performances of its kind held in Victoria." The 100-voice choir was under the direction of Graham Stead.

(See review on Page 10.)

City Obligated To Pay Taxes

City of Victoria will have to pay the sales tax on signs it manufactured in Garbally Road yards.

Fisheries Minister R. W. Mayhew advised the city by letter today that no exceptions have been made for municipalities.

He said that Dr. J. J. McCann, minister of national revenue, regretted no exception could be made in Victoria's case. The city protested payment of the 10 per cent federal sales tax on the signs.

The matter will come up at the forthcoming meeting of the Canadian Mayors and Municipalities at Calgary, June 29 to July 3.

BOY ORATOR'S STANDING HIGH

Fifteen-year-old Peter Coleman, 268 Superior Street, came fourth in the Optimist Junior Oratorical competition held at Boise, Idaho, it was learned today.

The contest was held Friday. Nine contestants, representing districts in Saskatchewan, Alberta, British Columbia, Idaho, Washington, Oregon and Montana, took part in the contest. Dan McCall, Eugene, Ore., came first.

The Optimist Club is scheduled to start in Esquimalt tonight its peanut campaign. Proceeds of sale will go towards boys' work. Peanuts will be sold Tuesday night in Fernwood district; Wednesday in Fairfield; Thursday in Quadra, and Friday in Oak Bay.

FIVE UNHURT WHEN YACHT RUNS ASHORE

Visiting Seattle Craft Towed Free

The 60-foot Seattle yawl, Adios, much-admired by Victoria Yacht Club members during her visit here Saturday, sailed to near-disaster Sunday. She ran aground on Fulford Reef, off Salt Spring Island.

Five aboard were uninjured. A U.S. Coast Guard vessel, summoned by radio telephone, towed Adios clear on a rising tide and took her toward Seattle for repairs.

Only recently purchased from her California builders, she had been sailed north by her owner, Dr. Carl D. Jensen, Seattle dentist.

He won the Pacific northwest yachting classic, the Swiftsure Light race, last year, and planned to race Adios in the contest this year.

Meanwhile, Victoria-owned Adios, a 17-foot speedboat, sunk in collision with express cruiser Tomboy, was raised from Cadboro Bay bottom Sunday.

Close Watch On Dangerous Insecticides

A close watch is being kept for anyone attempting to sell dangerous insecticides here, according to an entomologist for the federal department.

Close supervision of manufacture and sale of sprays and fungicides follows an attempt by a salesman recently to sell an unregistered insecticide to greenhouse operators on Vancouver Island, Mr. Anderson disclosed.

The sales were stopped. Under the Pest Control Act it is unlawful to sell insecticides which have not been registered with the Canada Department of Agriculture and tested to safe-guard users.

Mr. Anderson pointed out the regulation covering the flash-point of an insecticide spray is a most important one. Any preparation with a flash-point of less than 125 degrees is dangerous as a potential cause of fire.

"Obviously such a spray cannot be approved or sale permitted, if the users are to be safeguarded," Mr. Anderson said.

"The law is strict," he said, "All insecticides are tested to see that they don't endanger the lives of humans."

Week-End Car Accidents Injure 3; Damage Heavy

Rolling Logs Crush Small Car

Driver of car (above) escaped serious injury Saturday afternoon when big logs rolled off passing truck and crushed car against tree minutes after driver had gone into nearby house. Considered total wreck, car was owned by Maurice Burbridge, Colwood. Truck driver Edward

J. Meers, 4009 Carey Road, was driving toward town when accident occurred on Sooke Road near Colwood intersection. R.C.M.P. say this is second accident of this type to occur on Island Highway in recent months.

POLITICAL NOTES

By GORDON FORBES

Election Strain Stops Campaign

8 p.m.—Progressive Conservative leader Herbert Anscomb will address a meeting in Marigold Hall. Saanich candidate Cecil Holmes also will speak.

9 p.m.—Mr. Anscomb will speak in support of Robert Fort in Colwood Hall.

8 p.m.—Attorney-General Gordon Wismer and Arthur Ash, Saanich Liberal candidate, will speak at St. Martin's Hall, Olved Avenue.

8 p.m.—A Liberal rally at Liberal Headquarters, 1322A Government Street, will hear Education Minister W. T. Straith and Liberal candidates Nancy Hodges and Captain D. J. Proudfoot.

8 p.m.—A. F. Beyerstein, Saanich Social Credit candidate, will speak at Gordon Hall Community Hall.

8 p.m.—Victoria Progressive Conservative candidates, Margaret Harvey, Walter Miles and A. E. McPhillips, will address a meeting in Oaklands School.

8 p.m.—Agriculture Minister Harry Bowman will speak in support of Esquimalt Liberal candidate Geoffrey Edgelow, at Cobble Hill.

Illness and accidents have been playing havoc with the election campaign of several candidates in British Columbia.

Latest victim is Mrs. Tilly Rolston, Social Credit candidate for Vancouver-Point Grey, who is in a Vancouver hospital "due to overwork," doctors said.

She will remain under observation for several days before returning to the fray. Mrs. Rolston signed her nomination papers from her hospital bed.

Also on the inactive list is A. B. Ritchie, Progressive Conserva-

tive candidate for Salmon Arm. He will be "out" until after the election due to a stomach disorder.

Mr. Ritchie would not drop from the election scene and his supporters will carry on his campaign.

Jack McRae, Liberal candidate in Prince Rupert, broke both ankles in an accident on the Alcan project two weeks ago and will be incapacitated throughout the campaign.

However, his supporters are making films of the young candidate making fighting election speeches from his hospital bed. The films will be shown throughout his constituency.

Tory chieftain, Herbert Ans-

comb, now has fully recovered from an attack of flu which caused him to cancel one speaking engagement in the interior.

Political action committee of the Victoria Labor Council will sponsor a public meeting at the Club Sirocco May 29 at 8 p.m. when candidates from all parties will speak.

"Social Credit for the Alberni riding will be John Schulz, 45-year-old ex-Albertan and former farm equipment salesman, Port Alberni Mayor Loran K. Jordan, who was eagerly sought as a candidate, didn't even attend the meeting.

School Children Will Observe Empire Day

School children from all portions of Greater Victoria will gather Friday morning at 10.30 at the Parliament Buildings for the annual Empire Day ceremony sponsored by Victoria Municipal Chapter, I.O.D.E.

Sentries from the Boy Scouts, Girl Guides, Sea Cadets and Air Cadets will take their places at the base of the Queen Victoria statue at 10.40, and the program will begin at 10.45.

There will be songs by assembled children and a prayer by Dr. J. L. W. McLean. Mrs. T. Lumsden, chapter regent, will introduce the chief speaker, Mrs. Nancy Hodges, former speaker of the Legislature.

Her address will be followed by a ceremonial parade and formal dismissal on Belleville Street, between Douglas and Blanshard.

School children will come from Central Junior High, S. J. Willis Junior High, all elementary schools in the city and from Monterey, Cloverdale and Lampson Street schools.

W. H. Muncy will conduct singing, and H. J. Bigsby, R. E. Grant and Ian Duncan will be in charge of the schools' pipe band and Greater Victoria Schools Band. D. R. MacKay will be parade marshal and Miss Nessie Wallace will have charge of flower pupils.

DAM'S OPPONENTS CONTINUE BATTLE

Would Postpone Power Commission's Buttle Project Until Next Session

Conservationists throughout the province have launched a new campaign to hold up damming of Buttle Lake until the matter is put before the next sitting of the B.C. Legislature.

Groups including the Strathcona Park Association, the B.C. Natural Resources Conservation League and the B.C. Fish and Game Council are endeavoring to get all candidates in the June 12 election to take a stand on the matter of debating the issue on the floor of the legislature before allowing any work to be commenced.

B.C. Power Commission, which intends to use the lake for further developing its John Hart hydroelectric installation, now has authorization of Lands Minister E. T. Kenney to go ahead with the dam.

The Conservation League, bitterly opposed to the dam, is campaigning to have election candidates inquire into rates levied by the power commission authority.

The conservationists allege present rates are discriminatory and that industrial users on Vancouver Island consume 44 per cent of the commission's power output but only pay 11 per cent of the commission's income.

Aged Man Hurt In Fall Against Bus Saturday

Three persons were injured over the week-end and about \$1,000 damage done to cars involved in an accident on the Malahat Sunday.

Daniel McDougall, 79, of 1125 Burdette, is in satisfactory condition today after he fell against the side of a B.C. Electric bus from which he had just alighted Saturday night at Port and Cook.

He was taken to Jubilee Hospital with lacerations.

Driver of the bus was Erick C. Hawkins, 2830 Cedar Hill Road.

A motorcyclist and his passenger were taken to St. Joseph's Hospital by Victoria Ambulance at about midnight Saturday after receiving cuts and bruises when their machine went off the road into a ditch at the Glen Lake railroad crossing.

Injured were Paddy Doran, 942 Caledonia, and his passenger, Kathleen Simpson, 2733 Grosvenor.

Ambulance men and police reported they had difficulty getting the pair into town when heavy traffic on the Island Highway failed to heed warning sirens.

On Sunday, a car driven by W. J. Harzland of Hilliers, received about \$800 damage when it was struck from behind by a truck on the Malahat at Peden's Hill and pushed into a car ahead.

Driver of the truck was N. Vogel, Cedar Hill Crossroad, and the third car was driven by F. E. Orr, Dean Park Road.

A car driven by James E. Heyland, 1915 Fernwood, sustained medium damage Sunday when it collided with a Vancouver Island Coach Lines bus, driven by Lawrence A. McClung, 3841 Ascot Drive, at Yates and Quadra.

Navy Honors Comrades of Atlantic War

Hundreds of active and reserve naval men went to churches in this area Sunday for services commemorating the long-drawn "battle of the Atlantic."

The day was observed in churches throughout the nation. The services commemorated the sacrifices and triumphs in more than six years of anti-submarine warfare on the North Atlantic, principal arena of operations for Canadian Navy in the Second World War.

The cost in naval dead and wounded in enemy action was heavy. The navy provided safe escort to 25,343 merchant ships carrying 181,643,180 tons of supplies and thousands of men and women.

The cost in naval dead and wounded in enemy action was heavy. The navy provided safe escort to 25,343 merchant ships carrying 181,643,180 tons of supplies and thousands of men and women.

The cost in naval dead and wounded in enemy action was heavy. The navy provided safe escort to 25,343 merchant ships carrying 181,643,180 tons of supplies and thousands of men and women.

Sooke Watershed Logging Disaster Harrison Charges

Cutting of timber on Sooke Lake watershed would be a "wholesale disaster," Mayor Claude Harrison said today.

He stated he would call for a plebiscite on the matter at a meeting of Greater Victoria Water Board later this afternoon.

The meeting was expected to produce some verbal fireworks as most of the board members to date have favored the proposed cutting.

Stated for discussion at the meeting was a plan calling for the cutting of 7,000,000 board feet annually for 15 years.

"The mayor said not a tree should be cut until the public can vote on the matter at the next municipal election in December."

Royal Canadian Artillery Gunners to Mark Birthday

Local units of the Royal Canadian Artillery stationed at Work Point and Gordon Head will celebrate the birthday of the Royal Regiment of Artillery on May 26.

In the morning personnel from the artillery school 119 and 129 Batteries will march from Beacon Hill Park to the Cenotaph under the command of Maj. W. H. Roberts.

Maj. A. Platt, O.C., 119 Battery, will place a wreath on the memorial in honor of the late Captain-General of the R.C.A. His Majesty King George VI, and gunners who have passed away since the regiment was born in 1716.

At Work Point in the afternoon a tabloid sports meet will be held. Teams participating will be from the School of Artillery and the Royal Canadian Artillery.

Canadian Officers' Training Corps, and the Gordon Head batteries. It will be opened with one-round troop fire from the miniature guns by the gun detachment of the C.O.T.C. The commandant, Lt. Col. Arthur Perron, will take the salute in the march-past of competitors.

Logger Gordon Robertson, of Sooke, was fined \$35 in police court today after pleading guilty through counsel Lloyd G. McKenzie to assaulting a Chinese at the Station Hotel Saturday.

The annual meeting and election of officers of the Gilbert and Sullivan Operatic Society will take place at 8 this evening in the Duck Building, Broad Street.

Women

Victoria Daily Times MONDAY, MAY 19, 1952 15

OF PERSONAL INTEREST

The G.F. Dunns Were Hosts

A warm late spring evening added an extra note of perfection to the late-day party given Saturday by Mr. and Mrs. G. Fitzpatrick Dunn at their home on Thorpe Place. Invited guests enjoyed the beauties of the garden situated above Willows Beach and the view of islands and mountains etched in the soft light of the sunset.

Attend Nanaimo Meeting

Mrs. Marguerite Laughlin, second vice-president of Victoria Business and Professional Women's Club, motored to Nanaimo on Sunday to attend the regional meeting as delegate from the Victoria club.

Other members of the local club who accompanied her were Miss Minnie Beveridge, past provincial president; Mrs. Kate Farquharson, Mrs. Cecelia Simpson, Mrs. Eileen Walters, Mrs. Mary Webb, Mrs. M. Davies, Misses Elsie Richardson, Marjorie Gibson, Jane Hall and Elizabeth Forbes.

For May Bride-Elect

To honor Miss Vivian Wheeling whose marriage takes place Thursday, a shower was held at the home of Mrs. A. L. Stevenson, Dufferin Avenue. A corsage of pink roses and stephanotis was presented to the guest of honor, and pink and white carnations to her attendant, Mrs. J. Gower. Her mother, Mrs. N. Wheeling, received red and white carnations.

Invited guests were Mesdames W. Skea, B. Acreman, T. R. Handasyde, J. Stevenson, C. C. Warren, T. Dickinson, W. Fulton, W. Colvin, R. G. Miller, Misses E. Woolcock, L. M. Shaw, C. Duffin, J. Lewis, F. McKinnon, A. King, M. King, L. Wilson and H. Wilson.

'Red Mill' Cast Feted

Mr. Dennis Humphries was host at a party in the Club Sirocco Saturday evening sponsored by Victoria Gyo Club, to honor members of the cast of the "Red Mill," following the final performance.

Mrs. Mildred Allen, president of Gilbert and Sullivan Society, was presented with a gift by Miss Marjorie MacKay on behalf of the members, and Mr. W. C. Hudson thanked the cast in the absence of Mr. Jamie Cameron, Gyo president.

Mr. Philip Lee has returned to his Hollywood Crescent home, following a trip to Los Angeles.

Mrs. Cecilia Simpson, Robertson Street, will have Miss V. K. Hoskin, Vancouver, as her guest for the holiday weekend.

Lieut. Comdr. and Mrs. G. R. Smith entertained at a cocktail party Saturday evening to honor Miss Peggy Godfrey and her fiancé, Mr. Peter Powell. Mrs. Smith is to be matron of honor at the June wedding.

Miss Dorothy Deebie, R.N., P.H.N., with Saanich and South Vancouver Island Health Unit, left this weekend for Oshawa, Ont., where she will continue with the health service.

Miss Helen Gray, daughter of Dr. and Mrs. T. W. A. Gray, Rockland Ave., a first-year student at Cottey College, played the part of an officer in the recent production of "William Shakespeare's Comedy of Errors" given by the drama club. Miss Gray is active in drama, athletic association, Y.W.C.A., and the Alphan Society at Cottey College.

B. & P.W. Clubs on Island Hold a Regional Conference

Regional meeting to the provincial organization an invitation to hold the next provincial conference on Vancouver Island. Miss Hall, who had filled the position of regional chairman for a year, was elected to the position for a further two-year term.

A delegates' luncheon was held at Malaspina Hotel. Greetings were received from Mrs. Margaret Campbell, national vice-president; Mrs. Elsie MacCleave, provincial president, and Mrs. Charlie Forsberg, regional chairman of lower mainland clubs also holding a meeting in Vancouver on Sunday.

Short reports of activities and problems of the various clubs were given by the five presidents, Miss Beryl Bell, Courtenay-Cox; Mrs. Agnes Joughin, Duncan; Miss Spinks, Nanaimo; Miss E. McHaffam, Port Alberni, and Miss Elizabeth Forbes, Victoria.

Round table discussions on membership, program, projects and the forthcoming national convention at Vancouver in July were held during the day.

Return From Honeymoon Up-Island

Mr. and Mrs. James Stobbert Caldwell, who were married recently in Centennial United Church by Rev. W. R. Ashford, have returned to Victoria to make their home following a honeymoon up-Island. The bride is the former Dorothy Eunice Chattell, daughter of Mr. and Mrs. E. Chattell, Parksville, and the groom is the son of Mr. and Mrs. R. Caldwell, Hillside Avenue. (Photo by Joncas.)

PLANS FOR CATHEDRAL

Diocesan Board Hears Story Of Erection, Dedication

Proposed plans for completing Christ Church Cathedral were explained to the monthly board meeting of the Anglican Diocesan Women's Auxiliary held in St. Paul's Church, Nanaimo, last Friday.

Speaker was Canon E. P. Laycock, who also gave his audience an interesting account of the erection of the cathedral and the laying of the cornerstone by the Bishop of London.

The work, he said, was carried on in the beginning, under the shadow of a large cross erected when work was commenced.

When the cathedral was consecrated, he said, it was in the presence of all the bishops of the Church of England in Canada, also the Bishop of Winchester, several bishops from the United States and from the Orient.

Mrs. R. O. Taylor presided and members—representing 25 branches from Victoria to Comox—were welcomed by Mrs. T. A. Barnard, president of St. Paul's afternoon branch. Mrs. J. H. Carver was registrar.

Dorcas secretary, Mrs. B. P. Harding reported 534 articles of clothing for boys packed and sent to the Alert Bay School, also 635 articles of clothing for girls, numerous toilet articles,

a quantity of bedding and some good used clothing.

The preventorium at Alert Bay had received 81 pairs of pyjamas, she said, also slippers, toys, records and other things.

Thirteen large cartons of new and used clothing, quilts and afghans had been sent to Peace River, Slave Lake, Alta., and to Prince Albert. Total expenditure on Dorcas work was \$1,068.72.

Mrs. F. Goodwin, treasurer, reported receipts for the month as \$3,966.93 and collections taken for the cathedral building fund as \$21.

Reports were also given by Mrs. J. Wilkinson, United thank offering; Mrs. C. Millard, Living Message; Mrs. A. F. C. Watts, prayer partner; Mrs. J. Noel, Comox Deanery; Mrs. K. B. Schilling, educational (read by Miss Mott).

It was announced a corporate communion for life members will be held at the cathedral on May 29 at 11 a.m.

University Women's Club, Wednesday, Ald England Inn at 7. Guest speaker, Dr. Olga Jardine, election of officers, annual reports, program... Centennial W.A. spring tea, church hall, Wednesday from 2 to 4.30. Home cooking stall.

Connie Woodward-Gordon Roberts Married at Spring Floral Ceremony

An all-white floral motif created the setting in Victoria Gospel Hall for the recent ceremony which united Constance Joan Woodward and Gordon Marshall Roberts in marriage.

Huron Sheppard heard the nuptial vows of the daughter of Mr. and Mrs. Laurence Woodward, Dufferin Avenue, and the son of Mr. and Mrs. Robert Roberts, Arnot Avenue.

Mr. Sydney Biggs presided at the organ and as the register was being signed J. Gilmour sang "A Wedding Prayer."

Given in marriage by her father, the bride was lovely in a gown of white chantilly lace over satin styled with peplum jacket, lily point sleeves and winged collar. The skirt was a

full circle of lace accented pleats. Her finger-tip veil of illusion net was caught in a tiny lace-covered cap outlined in pearls and she carried a bouquet of lily of the valley, bebe gardenias and sprigs of orange blossoms. The groom's gift, a gold watch, was her only jewelry.

Miss Felicity Woodward came from Vancouver to be maid of honor for her sister, and Miss Vivian Roberts, the groom's sister, was bridesmaid. They wore gowns having jeweled velvet bodices of deep violet and peacock blue respectively over bouffant skirts of shaded pastel nets. Their bonnets and mitts were of matching net and they carried Talisman and yellow roses with larkspur. Miss Jacqueline Nichols was junior bridesmaid in peach taffeta and carried small bouquet of violets and wore the same flowers in her blonde hair.

The bridegroom and his brother, Mr. Andrew Roberts, as best man,

and ushers were Mr. Christopher Woodward, brother of the bride, and Mr. Richard Fryer. The reception was held in the lower hall where standard baskets of mauve and cream stocks and lilac formed a background for the wedding party.

The totast was given by Mr. George Brand.

For travelling to California the bride wore a slate blue wool suit complimented by hat and gloves in orchid-tone, snakeskin accessories and a mauve orchid corsage.

C.A.C. WARNS WOMEN TO BUY WITH CAUTION

TORONTO, May 16 (CP).—Mrs. W. R. Walton, J.P., national president of the Canadian Association of Consumers, yesterday told a meeting of the Toronto section that trade officials now can get the opinions of 500,000 women through the C.A.C.

Mrs. Walton cautioned the members to use their heads and eyes in regard to information on labels and packages; buy economically; keep informed as to what the market has to offer, and co-operate with their local retailers in getting their things from the manufacturer.

Silver Tea Proceeds For Auxiliary Work

Rooms at Memorial Hall were decorated with bright spring blossoms for the silver tea given Saturday afternoon by the Business Women's Branch of Christ Church Cathedral W.A.

Guests were welcomed by the president, Mrs. L. Small, who was assisted by Miss M. Grant.

An attractive stall of needlework and novelties was convened by Mrs. Anne Welton, Mrs. J. Stillwell, Mrs. A. Black and Miss M. Nicholson; homecooking, Miss A. Chow, Mrs. D. Reid and Mrs. L. Godson. Cards and stationery were sold by Mrs. W. Leal.

Arrangements for the tea were in charge of Mrs. M. French and Mrs. Drummond Taylor, assisted by Mesdames M. Freeson, E. Yeend, J. Heller and Misses D. Brown and M. Woodcock.

Tea was served from a table covered with a lace cloth and centred with a bowl of pink snapdragons and carnations flanked by matching tapers in crystal holders. Mrs. B. P. Harding and Mrs. M. Laughlin presided, and servers were Mesdames E. Stewart, A. Fallon, R. Durran, Misses M. Hockin, M. Chow, D. Lucas and D. Custance.

Miss Kitty MacIure was in charge of silver collection, proceeds which will be used for W.A. funds.

Smart Driving Saves Lives at Indianapolis

INDIANAPOLIS, May 19 (AP)—George Connor of Los Angeles steered a wreck backward down the home stretch of the Indianapolis motor speedway Saturday at 120 miles an hour, and possibly saved dozens of lives.

Trying to qualify the Federal Reserve Bank building, Connor named three laps of better than average driving, and the race shaft broke, locking his rear wheels and tearing his engine to chunks of steel.

Mechanics said Connor's car would be fixed in time for the race.

Morse Leads Rifle Shoot

F. Morse of the 40th Technical Squadron, R.C.E.M.E., topped the scoring at Heals Range Saturday with a score of 94 out of a possible 100 in a match fired from the 900-yard mound.

Bandsman Frank Drysdale of the Canadian Scottish placed second with a 93.

Scores follow:

Mount Tolmie Athletes Lead

When the second half of the Greater Victoria Elementary School sports are run off May 23, Mount Tolmie will carry a slim one-point lead.

The Mount Tolmie athletes gained their edge by proficiency in the jumping events at Macdonald Park over the weekend.

Mount Tolmie now has nine points, Willows School is second with eight points and South Park and Esquimalt are tied for third with six points. In fourth place is Monterey, followed by McKenzie Avenue, Margaret Jenkins, Doncaster, Oaklands and Quadra.

Top individual performances in Friday's meet was registered by I. McDougall of South Park School. He cleared a creditable 17 feet in the boys' open broad jump.

Steel nails and tacks are made germ-free to protect carpenters who hold them in their mouths.

HARD OF HEARING?

New, FREE Book may be worth \$100 or more to you

A new, revealing book has just been published that should be in the hands of everyone who suffers from any degree of hearing loss. It has been published for the sole purpose of bringing you the full truth—and nothing but the truth—about what to believe—and what not to believe when seeking help. "What do medical authorities say about hearing aids?" "Are so-called 'invisible' hearing aids really invisible?" "How can you tell which makers tell you the truth about hearing aids?" "Why should you go to your doctor for advice about hearing?" "How can you hear better for less money?" "What is true—and what leads only to unhappiness in hearing aid claims?" If you want the whole truth, all the facts to guide you—send without delay for this important new book "Frauds and Facts, Some Things That Go on in the Sale of Hearing Aids." Write now! You'll bless us from the moment you receive it. Address: Zenith Radio Corporation of Canada, Ltd., Dept. NS460A, Canada Trust Bldg., Windsor, Ont., Canada. It's free—sent postpaid in a plain envelope.

Consult your classified telephone directory for local Zenith Hearing Aid dealer.

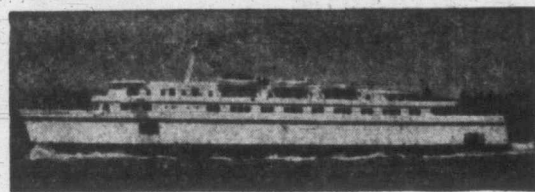

Vancouver Man Leaps From Span

VANCOUVER, May 19 (CP)—Clarence Lister Simonson, 39, plunged to his death from the Burrard Street Bridge here early Sunday after yelling to his wife: "I'm going to jump."

Cerebral Palsy Child Victims Will Get Help

Possibility of establishing a treatment centre on Vancouver Island soon for children afflicted with cerebral palsy will be discussed at a three-day parley in Vancouver starting Friday.

Cerebral Palsy Association of B.C., which used to be known as the Spastic Paralysis Association, and the Knights of Pythias, are joint sponsors at the conference, first of its kind to be held in the province.

They hope the information and experience gained at the Vancouver clinic may become available to all sections of B.C. where it is needed.

Parents of cerebral palsy victims will see what is being done at Vancouver and seek means of adapting facilities there to Vancouver Island needs.

Victims are youngsters whose muscles will not behave, but who can by training, learn to live a full life, according to an association spokesman.

Salvation Army Band Music Others' Envy

The International Staff Band of the Salvation Army, to give a concert at Memorial Arena May 23, is king-pin of a musical organization that just about covers the world.

One of the outstanding features of the army's band music is that it has been carefully monitored at international headquarters in London, released in an official publication.

It cannot be played unless this has been done. Every three months a new band journal issue is published, with three new selections. The "B.J." series has now reached 1,360, and represents the whole history of the Army's music.

Army bands in their regular duties can play nothing but the scores included in the journal. For a special work, however, they have a festival series, and many numbers from this group will be played in the Friday program.

Incidentally, can only be played on special occasions, and not in regular services.

"These are the only two sources of our music," Maj. H. C. Johnson said.

Cubs, Fathers Going on Hunt For Odd Quarry

It will be father and son night when Fairfield Cubs take their dads on coat-hanger collection duty this week.

Donors are asked to leave hangers on porch or in hallway in case of apartment houses. The cubs request that no rusty hangers be left. Owing to a glut on the market they cannot collect wastepaper for the time being.

Scouts will sort and bundle coat hangers at the Scout and Cub hall as they are brought in. Tuesday night collection will be both sides of Moss and both sides of Fairfield to the water. Wednesday night between Fairfield Road and the water and both sides Vancouver to Moss; Thursday, south side Fort to Fairfield, both sides Vancouver to Moss and area east of Moss as far as St. Charles, between Richardson and Fairfield.

Chairmen are Gus Whitaker, Bob Hawkes and Dr. Hartley Sargent.

Little Pianiste Playing Just Once Before Long Tour

Diminutive 18-year-old Patricia Shakespeare, of 336 Irving Road, British Columbia's best piano student, will perform for a home-town audience this week, and then will rest for the summer in preparation for a tour of major cities in the three western provinces.

The attractive young miss will appear Wednesday and Thursday evenings at concerts arranged by the Victoria Kiwanis Club at S. J. Willis Junior High School.

Her western Canada tour will be undertaken in the late summer, for placing first in the B.C. Music Teachers' Association. She will appear in such cities as Edmonton, Calgary and Winnipeg. Altogether she will be on the concert stage more than 20 hours.

Separate tenders must be submitted for each property, and must be marked on the envelope "Tender for purchase of..." (state address).

Tenders are to be accompanied by a certified deposit cheque for 10% of the amount of the tender submitted. Highest or any tender not necessarily accepted.

For further particulars apply to:
CITY LAND COMMISSIONER,
CITY HALL, VICTORIA, B.C.

OFFICE SECRETARIES LAUNCH CAMPAIGN AGAINST PIN-UPS

CHICAGO, May 19 (AP)—United States secretaries plan to take up arms against pictures of pin-up cuties in offices.

Sigma Alpha Sigma, a working girls' sorority of 2,500 members, has sounded the battle cry and President Muriel Davis says the group won't rest until such office art is replaced with reproductions of museum masterpieces.

"Glorifications of gossamer-clad models and deadly etchings are as outmoded as the cupid with its rubber mat," Miss Davis asserts.

EATON'S "Marvalon"

New Vinyl Plastic Covering.

• Durable • Stainproof • Heat resistant • Colourfast • Easy to Sew • Easy to Clean

Marvalon... It's a tough plastic film reinforced and strengthened with a fibre backing. An economical fabric, too, because it cleans so easily... is long wearing. Comes in six patterns.

Patterns
• Dogwood • Strawberry
• Cameo • Rose
• Morning Glory • Floral

Suggested Uses
Marvalon is a covering material of many uses... sketched and listed here are a few of the numerous ways in which it could be used.

Wall Covering
Table Covers
Place Mats
Shelf Covering
Drawer Lining
Aprons, Bibs
Seat Covers
Play Pen, High Chair Pads
Lamp Shades
Book Covers
Garment Bags
Mattress Covering

In a choice of three widths:

Premier Midway In Hectic Tour

Hard-Driving Johnson Caps Rugged 1,200-Mile Week by Driving Over Big Bend Route

By FRED McNEIL
Special to the Times

GOLDEN, May 19—Hard driving campaigner—"Boss" Johnson capped a rugged 1,200-mile week Sunday by driving from Invermere over the Big Bend Highway to Revelstoke.

With Mrs. Johnson he undertook the tough drive even though the road is not yet officially open for traffic this year and without a pause for rest.

At the week-end the premier had reached the half-way point in a six-week, 10,000-mile campaign that will take him into every riding.

The premier drove Saturday from Fernie to Canal Flats, source of the mighty Columbia in B.C.'s fabulously beautiful wilderness.

It was hot and the premier peeled off his coat for a ham-and-egg lunch in his shirt sleeves. Later he put on his coat to attend a tea with Mrs. Johnson.

At an evening meeting at Invermere, the premier hammered again on the fact that a voluntary hospital scheme (proposed by the Conservatives and Social Credit) just won't work.

"Conditions would be chaotic if hospital insurance were placed on a voluntary basis," the Premier said. "Sure it can be done, but make no mistake about it, it wouldn't be hospital insurance as it is today."

The Premier said that once again hospitals would not be able to collect all their bills and local governments would once again be burdened with hospital costs.

Blunt spoken, Vaughan Klump, Liberal candidate for Columbia said Social Crediters were making untrue comparisons of tax structures in B.C. and Alberta.

On the platform at Invermere was Tom King, who held the Columbia seat for two decades, but who at 73 decided he wanted a rest.

In the audience was prominent local Indian Dominic Nicholas who remarked: "Most of the Indians around here are good Liberals. They don't know these other guys (Social Credit) and they won't get many Indian votes."

FINAL BULLETINS

Earthquake Reported in City

An earthquake tremor that passed almost unnoticed in the city registered on the Dominion Astrophysical Observatory Seismograph at 11:36 a.m. today. Observatory officials placed its epicentre about 18 miles east of Sidney, in the same general area as tremors that occurred in February and March.

Clergyman Suffers Heart Attack

Dr. J. L. Sloat, well-known retired Baptist clergyman scheduled to preach at the 75th anniversary service in First Baptist Church Sunday, was rushed to Royal Jubilee Hospital early this morning after suffering a heart seizure. His condition was reported at press time as "good."

Bank Credit Restrictions Lifted

OTTAWA, May 19 (CP)—The Bank of Canada announced today it has informed chartered banks all special restrictions on bank credit may be suspended immediately with the exception of curbs on loans where corporation stock is offered as security.

The restrictions, first imposed 15 months ago, call for loans on only half the value of the security when corporation stock is offered as collateral.

Challenge Freight Rate Reduction

OTTAWA, May 19 (CP)—Newly-ordered reductions in rail freight rates between eastern and western Canada are being challenged before the Supreme Court of Canada, it was learned today.

Canada Steamship Lines, whose lake carriers compete with the railways for that traffic, has filed leave to appeal from a Board of Transport Commissioners order lowering the rail charges through a \$7,000,000-a-year federal subsidy.

Drew Moves for Defense Inquiry

OTTAWA, May 19 (CP)—George Drew, Progressive Conservative leader, today moved in the Commons for a judicial inquiry into the Defense Department's system of inspection and supervision of equipment.

When y' speak o' Canadians fightin' overseas, y'd rather it wasn't in a pub in Hannover.

Farmers here claim th' sheep industry is gain' t' th' dogs—sheep by sheep.

Hear tell o' th' Social Crediters want' d' copy Geoff Edgewood's idea o' coverin' their constituencies on horseback. But hein' still without a leader they feared folks would call 'em the headless horsemen.

QUEEN ASKS RAISE IN PAY FOR HUSBAND

Parliament Looks At Civil List

LONDON, May 19 (AP)—Queen Elizabeth II asked Parliament today to start figuring out what wages it is going to pay her as ruler of the British realm.

She hinted that she thinks her husband, the Duke of Edinburgh, ought to get a pay raise from his present £10,000 (\$28,000) a year. She also asked some financial provision for her younger sister, Princess Margaret, "in the event of her marrying."

Elizabeth's late father, King George VI, got £410,000 (\$1,148,000) a year for himself and another £167,000 (\$367,600) to support his family and relatives.

H. F. C. Crookshank, Conservative whip in the House of Commons, said the government will ask Tuesday for appointment of a committee to consider the Queen's message.

The royal payroll is known officially as the Civil List. It is voted by Parliament at the beginning of each reign by a new monarch. An all-party committee of 21 works out the bill.

Elizabeth's request mentioned only her husband, their two children and Princess Margaret, but it is customary also to provide for the Queen Mother. For example, Queen Mary was voted £60,000 (\$196,000) when King George VI died in 1936. It is presumed Queen Mother Elizabeth will receive at least as much.

Elizabeth said she will need no money for Prince Charles, the heir apparent, because he already receives the income from the rich Duchy of Cornwall. This was estimated at £20,000 (\$241,000) a year in the last Civil List adopted in 1947.

HATCHER HEADS TRACK GROUP

Leonard G. Hatcher was elected provisional chairman of the Royal Portage Turf and Country Club at the first meeting of the four Victoria directors this morning.

A permanent chairman will be elected as soon as the three American directors arrive here, possibly this week.

Following the meeting today, Mr. Hatcher said: "The city is poor. The mayor and aldermen have shown great courage in facing the fact. A lot of people here don't want to face it. But it is a fact the city and the people in the city haven't got the money to do all that should be done."

"We think something's got to be done. And we think the money can be obtained from the city's main industry—the tourist trade."

Investigators Talk Secretly

BOSTON (AP)—Top investigators of the million-dollar Brink's hold-up met in secret conference in Boston this morning.

Also present were two assistants to the attorney-general and District Attorney William Foley of Suffolk County. Foley's presence indicated the possibility that some attempt may be made to bring Alfred Gagnon of Pawtucket, Rhode Island, to Boston, to face grand jury action.

VICTORIA DIRECTORS NAMED

The proposed multi-million dollar Portage Inlet recreation centre has received financial backing in the United States and corporation papers will be filed at the Legislative Buildings this week, a spokesman for the interested parties said today.

The project will be named the Royal Portage Turf and Country Club and will be capitalized at \$10,000,000, he said.

Provisional Victoria directors are D. B. Carley, well-known Victoria horseman, Leonard G. Hatcher, civil defense co-ordinator, W. C. Curtis, secretary of the Victoria Auto Courts Association and R. A. Bayne, of Bayne Realty.

Two other directors will come from Seattle and one from Portland.

Pulp Men Impatient With License Delay

If Celgar Development Limited is not granted the whole of a forest management license area it wants in the Arrow Lakes region of B.C. it will cancel its application and B.C. may lose a \$65,000,000 investment.

This blunt warning was given today by Celgar official Norman Hosie at a hearing before Lands and Forest Minister E. T. Kenney on the company's application for a management license covering nearly 1,000,000 acres.

A dispute has arisen because Kootenay Forest Products Limited does not want Celgar's license to take in the Trout Lake area, which composes about 6 per cent of Celgar's over-all application. K.F.P. however, favors Celgar getting the remainder of the area.

Mr. Hosie said: "If it is necessary to reduce the proposed license area we must ask that the license application be canceled."

He said this action would be taken regardless of investments of between \$3,000,000 and \$4,000,000 already committed. Total investment of \$65,000,000 was contemplated for an integrated forest industry, including a sulphate mill, newsprint mill and sawmills.

The hearing started April 21. It was decided at that time the hearing would be held before the whole cabinet today. But events this morning resulted in the hearing going back to Mr. Kenney.

Last month Senator J. W. de B. Farris said at the original hearing he would agree to a hearing before the cabinet, without first a hearing before the minister. The Farris father-and-son team represent the Kootenay Forest Products Ltd.

Mr. Farris said the date is not suitable and he could not have the necessary witnesses present.

The cabinet will hear the hearing this morning.

The cabinet has no jurisdiction in the matter because Senator Farris had withdrawn his consent to waive the hearing before the minister. Attorney-General Gordon Wismer said.

The hearing is continuing.

MAINTAIN CONTACTS

Full diplomatic relations never have been established. Britain has a charge d'affaires in Peking. He has only limited access to Peking Foreign Office officials, however. Communist China has not made any move to open a diplomatic mission in London.

"Our contacts with China, such as they are, will be maintained," a Foreign Office spokesman said.

INCLUDE FACTORIES

The properties Britain is re-proposing to give up are located chiefly in Shanghai, Tientsin, Hankow, Canton and a sprinkling of smaller cities. Belonging to firms covering almost the entire field of commerce, they include factories, shipyards, warehouses, hotels and office buildings.

Sport Centre Project Ready to Incorporate

"However, I must stress that we can go ahead without racing."

The huge project, which would cover 200 acres in the vicinity of Helcken Road and Portage Inlet, will include exhibition buildings, an ice arena, botanical gardens, a zoo and numerous other recreational facilities. Part of Portage Inlet would be filled in.

The project also would entail the installation of sewers on the north and south slope of View Royal, construction of the much talked about Gorge Canal and construction of a new section of Island Highway to eliminate the Four-Mile Hill section.

Plans are being drawn by the architectural firm of Sharp and Thompson, Berwick, Pratt and Charles E. Craig, which has a branch office in Victoria at 302 Port Street.

The project will include three race tracks—one for horse racing, one for trotting and one for car racing.

"We haven't started negotiations yet for the racing franchise," the spokesman said.
